

“THE LIBERATOR”

“And proclaim liberty throughout the land...” - Leviticus 25:10

Beloved Friends,

Praise Yahushua (Jesus)! Together we glory in the Messiah and are so thankful this issue of THE LIBERATOR has made it to press! Intense warfare has bombarded us, but praying and agreeing together in Him, we walk triumphant - HalleluYAH! *Because of your prayers and support we're entering into our 27th year of ministry!* Yahushua still saves souls and gloriously sets captives free because we stand together in His Word!

I've been doing numerous radio shows to share the Gospel, including **Inforwars**, **Omega Man Radio** and **SW Radio Church** - precious souls are being saved from the tormenting spirits of Masonry, Romanism and the occult!

As the spiritual war escalates so does the need to prepare His Bride. Here is the short list of ministry tools we're hoping to develop in 2013 with your help:

- † **BLOOD ON THE DOORPOSTS II** - we need to take this 'Master's course in spiritual warfare' UP A NOTCH to a *Doctorate* degree by adding what we've learned during the last 25+ years of ministry!
- † **FILM** the new *TREASURE KEEPERS* DVD series;
- † **TEACH** ministers and equip the Body of Messiah;
- † **UPDATE** the website adding more FREE resources;
- † **EXTEND** Salvation Message to the Jewish people;
- † **SUPPORT** key missions in Africa, including a Ghana orphanage and huge Kenyan refuge camp where thousands desperately need Bibles. . . **AND** continue helping thousands by providing materials, books, counseling and ministry at no charge.

Your prayerful gifts mean more to Messiah's Kingdom than you can ever know. THANK YOU for prayerfully seeking His Will about becoming a monthly supporter and partner of With One Accord!

LIGHTNING FROM HEAVEN: PAPAL COVERUPS AND REVELATIONS

By William Schnoebelen ©2013

The shadowy facts surrounding the resignation of Pope Benedict have the world abuzz while Vatican pundits scurry for cover! Seldom in history has the papacy been so full of scandal. It is obvious to those *not* blinded by the 'glory of Rome' (**2 Cor. 4:4**) that Benedict resigned with charges of bank fraud, money laundering, and aiding and abetting child abuse whirling around him.

While these charges erupted during Benedict's pontificate, these abuses have actually been going on since the papacy's inception. In our lifetimes, the P2 (Masonic) Banking scandal implicated the Vatican Bank in the failure of the Continental Illinois Bank in 1984 - the largest such failure in U.S. history. In the last few generations Irish children (many orphans) were ruthlessly sent to Australia to labor in convents for nuns, many horribly abused.

Since the pedophilia scandal hit the media these atrocities have been linked to many dioceses in the U.S. as well as Ireland and other European countries. Benedict is on record (December 2010) as saying that "*having sex with children was not a big deal well up until the 1970s*" and also claimed that child pornography was increasingly considered "normal" by society. What kind of world has this tyrant been living in? Is that moral leadership?

Since World War II there is sound evidence that the Vatican has used both the Mafia and the House of Windsor in its money laundering schemes. The Roman church is seriously *OUT of ORDER* - even by its own strange standards. Worse yet, it is *extremely* out of line with Biblical truth! Our revealing DVD, *CATHOLICISM: THE CHURCH ON HAUNTED HILL* sheds light on this horrific threat to Biblical Christianity. The sad fact is that the Vatican has, for many centuries, been nothing more than an international crime and child abuse syndicate in "clerical drag!"

Though outwardly there might seem little connection between the Vatican and the English royal family, both are vastly wealthy entities which seem to have a lot of

interlocking investments in some very sinister doings, including child pornography. Of course, most people know that the British royal “firm” was behind the vast opium trade in the 19th century. They used it to enslave and demoralize the Chinese people. The crown may still have its hands in the drug trade to this day.

As I document in my book, WICCA, the English sovereign has been involved with witchcraft since the reign of Edward III in 1344 AD. While a full discussion of this is not the point of this article, please realize that down through the centuries there have been close ties between all sorts of evil doings and the various ruling “royal families” of England.

If you carefully study books like John Dale’s THE PRINCE AND THE PARANORMAL: THE PSYCHIC BLOODLINE OF THE ROYAL FAMILY, you will see that not only Charles, but his mother and grandmother were steeped in spiritism, fortune telling and what today would be called the New Age teaching.

Such understanding goes a long way in explaining strange things such as the photo to the right of an ailing Elizabeth with her nurse sporting a prominent buckle containing **both** the symbol of **Freemasonry** and the symbol of **Wicca**.

Even though some good things have been accomplished by the royal family over the centuries, notably the King James Bible and the vast missionary movement spread over the globe by Queen Victoria, the sad fact is that today’s royal family is in deep with as much wickedness as is the Vatican in Rome. As of this writing, both the prior pope, Ratzinger and “Her Majesty” have warrants issued for their arrest for various serious felonies by a group called the International Tribunal into Crimes of Church and State (itccs.org)!

True and False Prophets

This is not to denigrate the fact that many Roman Catholics are good people earnestly trying their best to live according to their faith. But they are seriously misled by a bunch of gangsters in scarlet and purple (**Rev. 17:4**). This is because they are trusting in the words of fallible men instead of the Word of Yahuwah! The next pope will be wading into a swamp of scandal unlike anything the Vatican has seen in centuries. Obviously he will need to be artful in persuasive public deception.

Of course speculation was running high over the election of the next pontiff, who was chosen a few days ago. Ever since the nineties, I have been warning people about the *supposed*

prophecies of St. Malachy (1094-1148 AD - an Irish monk, *not* the Bible prophet) who predicted that there would be only one more pope after Benedict, and that he would take the name **Peter of Rome** – a title no pope has ever *dared* assume. Oddly enough, before the election of “Francis I,” two of the likely candidates for next pope *were* named **Peter**...Cardinal Tarcisio Pietro (Peter) Bertone, an Italian, and Cardinal Peter Turkson who is from Ghana.

Of course, neither of these cardinals were selected. However, before we put away the prophecies, remember that the evil one is subtle. He may very well have arranged for an Italian (Roman) man to be made pope and take the name Francis, which most associate with the benign “hippie ecology saint” Francis of Assisi! We will discuss more about the new pope - who is a Jesuit - shortly.

We need to understand something. False, or pagan prophets *can* still give true prophecies. This is supported by at least two instances in the Bible. One would be Balaam, by all accounts a heathen soothsayer, who saw an angel of Yahuwah and who spoke forth powerful prophecies of Israel and the coming Messiah. (See **Num. 22-23**). There is also the unnamed seer (**Acts 16:16-18**) who proclaimed the truth of the message Paul preached.

In the more modern world, we see examples of Nostradamus, (d. 1566) who did produce a few remarkable prophecies (see our free STRAIGHT TALK ON NOSTRADAMUS available on our website for download) and also Edgar Cayce (1877-1945), a Kentucky man who was supposedly a devout Christian and Sunday school teacher - yet he went into trances like a psychic (or like

Balaam in the Bible) and taught about reincarnation and Atlantis! Even in my day as a psychic medium before I was saved, I would occasionally “score” with accurate predictions with folks who came to me for readings.

See, the evil one *can* arrange things to make it appear that prophecies of his servants can come true, especially when unsaved individuals are involved. So just because this Malachy was almost certainly not a Biblical Believer, does not mean we should totally discount his words.

According to Malachy, this last pope would usher in the days of final judgment and might well be the anti-Christ. Of course, these are **not** Biblical prophecies – but some are remarkably accurate considering they were spoken 900 years ago. It is also interesting how all this ties in to *Bible* prophecies, such as **Rev. 17:10-11** which says of the coming Great Beast:

And there are seven kings: five are fallen, and one is, and the other is not yet come; and when he cometh, he must continue a short space. And the beast that was, and is not, even he is the eighth, and is of the seven and goeth into perdition.

In 1798 Napoleon dethroned the Papacy. Then Giuseppi Garibaldi, an Italian patriot further reduced it in size during the 19th century. But on February 11th, 1929, the fascist Benito Mussolini restored the Papal government that had been “**dead**” since 1798. The Lateran treaty was signed restoring Vatican City as a sovereign nation. Papers around the world read: “**Deadly Wound of the Papacy Now Healed!**”

Beloved, realize that since February 11, 1929, there have been seven popes (kings), Benedict included. The *eighth* pope or king since then would be the one Malachy calls **Peter of Rome**. The fact that Revelation’s prophecy seems to line up with Malachy’s predictions may be vital! This fellow who was elected, Bergoglio, was born of an *Italian* railroad worker.

There is also the *coincidence* that the sudden announcement of Benedict’s resignation came on February 11, 2013 – 84 years *to the day* since the Lateran Treaty restored the papacy!

Judas Rising

The word anti-Christ is often misunderstood and only appears in the epistles of John. Contrary to popular belief, the Greek word “anti” can mean either “against” or “**instead of.**” So the anti-Christ or Beast will be a *replacement* figure for the real Messiah! Thus, he will not appear initially to be a monster, but will instead be a very charismatic, holy fellow. The monster will be revealed later.

Since the early 1990s I have taught that the anti-Christ will be either a man or the son of a fallen angel (a Nephilim – as in **Genesis 6**) and a woman, inhabited by *the spirit of Judas Iscariot*. Aside from the fact that Judas is one of the most evil characters in all of Holy Writ, there is strong Bible evidence to support this. First, in talking about the disciples, Yahushua said in **John 6:70**: “*Have not I chosen you twelve, and one of you is a devil?*” Not that Judas HAD a devil: Our Savior said he WAS a devil! Then there is the statement by Peter:

That he [the replacement apostle] may take part of this ministry and apostleship, from which Judas by transgression fell, that he might go to his own place. – Acts 1:25

Note that he doesn’t say he went to hell – Peter says he went to his OWN place. If he was a devil or THE devil, hell *would* be his habitat. Perhaps the most indicting evidence is the fact that the anti-Christ is called the “**son of perdition**” (**2 Thess. 2:3**) and the ONLY other time in the entire Bible that the term is used is to describe Judas Iscariot in **John 17:12**. Finally, the apostle John, in **Revelation 17:8**, says this:

The beast that thou sawest was, and is not; and shall ascend out of the bottomless pit, and go into perdition: and they that dwell on the earth shall wonder, whose names were not written in the book of life from the foundation of the world, when they behold the beast that was, and is not, and yet is.

Remember, at the time this was written (c. 90-95 AD), Iscariot had *been* alive but WAS dead. If he will be the Beast, he will be alive again. So it seems there is a strong case to be made for the Beast being an embodiment of Judas – but of course the other question is, in whose body?

Disturbing Revelations

Finally, let us turn to the teachings of a *different* Malachi and compare them with things I was told while studying to be a priest. Well-known author and exorcist Malachi Martin was a Catholic priest and a Jesuit. He had been the confessor to Pope John XIII. In other words, he was the priest *the pope went to for confession*. Before his death he wrote many books about the decline of the Roman Church, morally and spiritually. We will discuss one of his revelations below.

But first, when I was in seminary around 1979 I found a book in the seminary library that told of an astonishing discovery made during the reign of Pius XII (d. 1958). Pius, like many of his predecessors, was obsessed with finding archaeological evidence of Peter being martyred there in Rome on Vatican hill. Of course, beyond “*faith promoting stories,*” there is absolutely NO evidence that Peter ever even *set foot* in Rome. For more on this, see our STRAIGHT TALK ON THE PAPACY, available on our website for free download.

According to this Catholic book Pius XII ordered workers to dig beneath the Vatican to search for Peter’s bones. But when they broke through a wall, a vast, dark chasm lay on the other side. No sign of a bottom to the pit could be detected. One worker even took his flashlight, turned it on and hurled it as hard as he could into the darkness. Together, the workers watched it spiral downward into the dark. It never hit wall or bottom! This alarmed them so they sent word to the pope.

THE LIBERATOR

March 2013
Vol. XXII, No. 1

The pontiff went down himself to investigate. As the story goes, he walked into the work area and saw the gaping hole from a distance. But suddenly a vision brought him up short: he saw a blazing white cross blocking his path, and heard a warning that he should go no further – that this void was the gate of hell itself! So Pius ordered the wall sealed up and stopped all work in that area. An elderly priest in the seminary later confirmed that account to me personally. Instead of Peter he'd found *the pit!*

Take that story for what you will, but here is one even more alarming. The aforementioned author, Malachi Martin, has stated in numerous interviews before his death in 1999 that in 1962, in a formal ritual, Lucifer was **enthroned** over Vatican City by the pope at the time (Angelo Roncalli - John XXIII) and numerous cardinals. As we document from independent sources in the aforementioned works like *CHURCH ON HAUNTED HILL*, Roncalli was indeed a *high level Mason and Rosicrucian and also a secret Socialist*. All three things would have – at the time – been grounds for instant **excommunication** from the Roman church.

Martin's account is an amazing testimony, considering that he never left the church – although he felt it was in deep spiritual trouble! He died a devout, traditional Catholic.

I share these accounts because they are NOT from “anti-Catholic” sources and they still illustrate the dire spiritual situation in the Vatican. Vatican City itself is seated on Vatican Hill, which used to be a place of fortunetellers in the days of pagan Rome – so it has been cursed for millennia. When you add to that the idolatry (statues, etc.) going on there for nearly 2,000 years it is a spiritual toxic waste dump!

I urge all Believers please *to pray extra hard* right now and intercede because we may be at a tipping point in human history, not just because of the pope resigning, but because of the convergence of numerous dark forces! Not surprisingly, just minutes after the pope's resignation, lightning struck the Vatican! Remember, Yahushua said He saw the evil one fall **“like lightning from heaven” (Luke 10:18)!**

The New Pope and the Jesuits

The new pope, Jorge M. Bergoglio, is a Jesuit cardinal who reigned in Argentina. As some of our readers know, you would have to look a *long way* to find a worse hive of villainy than the Jesuit order. For centuries the Vatican has been ruled by a strange pair - the White Pope, the one everyone knows - and the Black Pope, the head of the Jesuit order.

The Jesuits were created as part of the Counter-Reformation - an effort by Rome to beat back the Biblical advances of teachers like Luther, Calvin, Huss and Wycliff. They believed NOTHING was too evil - including assassination - as long as it destroyed Biblical Christianity and furthered the power of the pope. Jesuits were behind, among other things, the infamous Gunpowder Plot in 1605 to blow up Parliament (and King James) in an effort to stop the production of Yahuwah's Word for the English people.

We hope to be doing a major teaching on the Jesuits soon, but for now, suffice it to say that the Jesuit order has become,

in the last half-century, the abode of many left-wing, socialist priests. It has also done its level best to undermine and pervert evangelical Christianity and seems to have been doing a pretty good job of it. Many of our political and religious leaders now in the U.S. are Jesuit trained.

It is unprecedented in history to have the “White Pope” be a Jesuit. Before, according to Satanic doctrine, the two popes (white and black) would balance each other out - like Yin and Yang or negative and positive poles on a magnet. But now, the White Pope has sworn allegiance previously to the Black Pope (currently the Spaniard, Adolfo Nicolas). It is difficult to say what this will mean, but it will not bode well for those who love the Bible and our Master, Yahushua!

For centuries, as we document in our DVD, *EXPOSING THE ILLUMINATI*, the Jesuits have been trained in mind control techniques similar to those used by magicians and high level sorcerers. They are usually formidable and brilliant men, often trained in law or science. They are also skilled spies. Jesuits brought the modern Illuminati into existence in 1776 through one of their agents, Adam Weishaupt! Political intrigue and world domination are what they do best.

It is ominous indeed that the Vatican cardinals have chosen a Jesuit to lead them. It is additionally creepy that they chose the day 3/13/13, to make the election happen. In the occult, the numbers of dates are of critical importance. Using numerology, you reduce that date to 3+4+4 which equals 11. Eleven is a very powerful occult number, rendered even more so by the work of Aleister Crowley in the past century who labored very hard to magically link the number to **sodomy!** The fact that 11 reduces to 2 is also important, for 2 is the devil's number. He is *diabolos*, the divider, the slanderer and loves to attack the people of Yahuwah by dividing them! He was elected at 7:06 pm (Rome time) which is 66 minutes past the sixth hour (666). This is how the magical mind set works!

The U.S. and Israel

Though only somewhat related to the papacy – other things need to be mentioned as well. The Vatican has been negotiating for years and just in the past few months, finally acquired the rights to the Cenacle in Jerusalem. This is the supposed place where the Last Supper took place. The Vatican

has been trying to get it for a very long time. Realize that as of this writing, the College of Cardinals is convening to elect a new pope and he may well be in office by either Passover or Easter. Obama is also reported to be visiting Israel around that same time – for the FIRST TIME in his 5 years in office.

He is set to enter Jerusalem just in time for Palm Sunday, when Christians believe Yahushua made His triumphal ride into the city. Is this coincidence? Or is Obama THAT full of himself that he thinks he is the new Messiah? Will he try to bully Prime Minister Netanyahu and mess around further with the safety of the Israeli state? If so, he will be opening America up to even *more dire consequences* from heaven!

On other fronts, the U.S. economy is still in a shambles with our country essentially being run by credit financing from China and other foreign sources. Obama just keeps spending and Congress seems useless! Obama obviously wants to disarm Americans while giving jets and tanks to the Muslim Brotherhood. The Second Amendment is under assault like never before. Things are gravely wrong and the government's priorities are obviously utterly confused!

In the meantime, the terrorist threat is as real as ever, with our borders still open to all manner of unknown enemies. With America in its weakened state, both economically and militarily, there are rumors of aggression from Russia that may or may not have substance.

Beloved - pray like never before! The time is over for "playing church!" *Our pastors need our prayers.* They MUST STOP promoting pop psychological silliness and feel-good theology that damns souls instead of preaching repentance, holiness and sorrow for sin! They must discarded self-promoting and get-rich strategies and allow prophetic voices to be heard! **Again I say - pray!** Our prayers and petitions can bring miracles on many fronts to pull us back out of the fire. We cannot keep fiddling in the parlor when burglars are in the bedroom! Our prayers are that you will heed this call to spiritual arms and stand with us in this spiritual battle!

"As cold waters to a thirsty soul..." - Prov 25:25

Following are a few praise reports we want to share because they are the result of your generous prayers and gifts! Thank You for helping reach countless precious souls, many who cannot find or afford help.
Praise Yahuwah who equips us!

Dear Bill and Mary,
I highly recommend Blood on the Doorposts if you really want to be aware, awake and engaged in spiritual warfare. It's an amazing book and has helped so many of my friends get "free" from those things that torment and hold us back. It is on my bedside table for reference at all times. Also the FREE RESOURCES section of Bill's website withoneaccord.org is an incredible resource. Please check it out. I am just a huge believer in what Bill and Mary are doing. God has given Bill some insight that is just incredible. If you can donate to their ministry

please do. There are so many ministries out there that it is like throwing money down the drain or even into the enemy camp. You can be sure withoneaccord is being prayerful and accountable with the money. – L.

Brother Bill,

Thank you Brother for your ministry. I heard you speak on Omega Man. I grew up a Catholic, but the Lord saved me in 1983 after I realized I was insulting Jesus based on Heb. 10:29 and repented. Then, I formally renounced my Catholic faith in the presence of my Catholic fellowship in 1984 and walked away. Since then, I've been studying the Word to know Christ and make him known. Lately, I've been learning about deliverance. May the Lord bless you!

Dear Bill and Mary,

Just wanted you to know that someone wrote me today after listening to Bill on Shannon Davis show:

Woow WOOW WOOW I never heard this man or this radio station before!!! And hearing this today HAS CHANGED MY LIFE MY-THINKING & MY-PROSPECTIVE ON EVERYTHING !! Awesome thanks! You KEEP THE FIRE PREACHING COMING BELOVED much in Y.H.W.H's Name Amen. – Forwarded by C.

Shalom, Bill,

Thank you for your loving ministry to me today. You are a powerful tool of Mar Yah and I thank Him for you! The prayers we prayed and that you prayed were powerful--thank you for taking the time to pray for me. He is faithful to do all we ask and more!
HalleluYAH!

Words are inadequate to express the depth of shalom in my soul. Old bondage was released and new life now flows in its stead. Ruach (Holy Spirit) has been ministering to me all afternoon. I do not have the words to express my gratitude to Yahuwah and to you for this healing and blessing in my soul...It is too awesome for words! Praise to the Kodesh One of Israel!!! HalleluYAH! What ha Satan meant for evil, Yahushua has turned into good for the glory of Yahuwah and His Kingdom. When this healing session is complete, I will emerge a better and more equipped servant of the Most High Mar Yah!
HalleluYAH! Thank you for your ministry! – R.

Dear Bill and Mary,

I love ya'll. Your ministry helps, books and DVD's are fab! I have used them at countless conferences when teaching and I have had pizza parties just to watch your films. I have spread the word of your ministry and testimonies to many in need and their families and GLORY to Yahuwah! Also I just bought Freemasonry: Fatal in the First degree and the DVD on Catholicism. I can hardly wait for them to get here as I will be teaching in DC in April and I want to have them for the trip. LOVE to you both! MAZEL TOV to your work for YAH and Shalom! - A.

NOTES FROM MARY

Dearest Friends,

The Ruach (Holy Spirit) wants me to share a very personal miracle with you. During the past year I've been fighting exhaustion with heart palpitations and tachycardia. Now, I don't need to tell most of you what that means for a spouse, a ministry, a family...this in addition to no insurance and medical bills from multiple hospital visits. *Still, Messiah is FAITHFUL!*

To begin, one day in 2009 while in prayer, the Ruach warned me that within the next few years the devil would try to kill me. With *food*. Even though I'd always kept a very healthy diet I increased my due diligence and filed away the warning. Now there isn't room here for all the details, but friends, we all need to remember that stress can literally kill us. But with Biblical eating, spiritual wellness, prayer and sanctification lives can be saved! Too many Believers lose battles simply because of poor eating habits, faulty spiritual foundations, open doorways and lack of knowledge! ...and yes, I know many of the devil's attacks can't be remedied with a celery stick. *But many can...*

In a nutshell: Prolonged stress exhausts adrenal glands. Adrenal glands control a myriad of hormones. These delicately balanced chemicals keep organs, digestion, the brain and heart functioning properly. Having grown up in a health-oriented family, I understood stress responses. But I didn't know that repeatedly eating the same foods *while under stress* could lead to *severe* food allergies! Who knew? And severe food allergies can lead to all sorts of problems...including arrhythmia!

The first time I landed in the ER, it was frightening...by my fifth tour of a cardiac unit, I'd prepared myself to meet my Master. BUT YAHUWAH WORKED A MIRACLE! In our next THE LIBERATOR, I will share more about my journey and how Yahuwah ministered healing and revival to me. My prayer is that through sharing this, someone else might find healing.

On that Note: What a time we're living in! I'm so incredibly thankful for your prayers and gifts that sustain and lift us up! We're so excited about what the Father has planned in the coming months! **Together with you - our Friends and Partners - we rejoice at the many souls snatched from behind enemy lines! HalleluYAH!**

PLEASE also remember Bill in your intercessions: the warfare has been tremendous lately. There are very few who can (or would dare!) shed so much Truth on the enemy's deceptions. There has been an overwhelming cry for help as this spiritual war escalates. As we look to Yahushua for strength and direction, we rejoice that our lives have somehow made a difference to His Kingdom. Thank you for standing with us! Bless you!

In His Service Because Yahushua LIVES!

Mary
