

How can you know the King James Bible is perfect, when so many word meanings have changed over the centuries from the Aramaic language that was spoken in that time?

What if the Illuminati was involved in making the King James Bible?

Who told you the King James Bible is perfect anyway?

Your assumptions are that the Almighty could not see the future and know how words might change over time. Of course, He can. He knew every thing that men would do or attempt to do to His Word, long before the foundation of the world.

I know the Illuminati is not (was not) involved in the KJV because when I was IN the Illuminati, I saw how much they **hated** the King James Bible - I mean *hated it with a passion*.

I know it is a perfect translation:

- 1) Because of how the devil hates it
- 2) Because of the mighty revivals and missionary moves which came from men preaching out of it - we do not see such moves of YHWH anymore because people are using anti-Christ "bibles."
- 3) Because compared to all the modern Bibles it glorifies the name of Yah'shua (Hebrew name of Jesus) MUCH more, and also His divinity and the blood. Modern bibles do whatever they can get away with to diminish the power of the Name and the Blood. Many even subtly deny His virgin birth or His ascension.
- 4) Because when I do deliverance with a King James Bible, demons tremble in terror. When I tried to use the NIV or the NAS, they laughed at it.
- 5) Because it was authorized by a King (**Eccl. 8:4**), descended from King David, with a Jewish name (James = Jacob), for the oracles of the Almighty were committed to the Jews (**Rom. 3:1-2**).

Who told me for a fact that it was a perfect translation? Easy: the Holy Spirit of the true and living King of the Universe!
