

Socialism: Trojan Horse for America!

By William Schnoebelen ©2016

¹⁵ The horseleach hath two daughters, crying,
Give, give. There are three things that are never
satisfied, yea, four things say not, It is enough:
The grave; and the barren womb; the earth that
is not filled with water; and the fire that saith
not, It is enough. – Proverbs 30:15-16

The 2016 presidential-political season is upon us! This election is one of the most turbulent campaigns in US history (and we're still months away from the actual election). The RUACH (Set apart Spirit) has *urgently* pressed upon me to address the most threatening aspect of it here – **socialism!**

Let's begin with Vermont senator Bernie Sanders. He is, as of this writing, still in the running against Hillary Clinton for the Democratic nomination and doing far better than expected. He is the first **openly socialist** candidate to run in a major party and gain a viable following. The Clintons are more serpentine in their approach being closet socialists...yet Bernie has actually beaten the formidable Clinton-machine in many states.

This is important because Bernie has ruptured a deep, dark pustule of socialism wide open into America's political landscape.

The problem with socialism is that it rides under a banner of lofty ideals: Fairness, Equality, Helping the poor, etc. Countless Christians think socialism is the compassionate way to run a society. HOWEVER, like every satanic cult, it is *well disguised with noble-sounding ideas*. Unlike most other cults, socialism has garnered the 'hands off' idealism and support of most multi-media conglomerates!

So, What Makes Socialism a Cult
if it's not religious?
HUMANISM!

It can be – and usually is – *anti-spiritual*. Many readers may not recall the **atheistic communist empire** that cast a dark, blood-drenched shadow over much of the 20th century. Both Soviet Russia and Communist China have been among the most hostile regimes to religious freedom and faith in the 20th century. These nations ferociously persecuted both Christians and Jews throughout much of the last century. Today, **communist** North Korea is one of the most vicious, anti-Christian regimes in the world. In that country it is DEATH to be a missionary - or to even own a Bible.

Communism is Socialism With the Gloves Off

REMEMBER: The Nazi party in Germany was the **National SOCIALIST German Workers Party** (Nazi was an abbreviation). We know how hostile Nazis were to the Jewish people and Bible Believers as well. Countless followers of Yahushua were put in camps or murdered trying to help Jews or for simply opposing Nazi ideology.

Socialism is a cult because it has a **view of humanity** and also, requires us to believe *most things by FAITH that are not true*. It also demands we speak and act in certain ways (political correctness), seeking to destroy Biblical values. Instead of having a false el (g-d) at its pinnacle, socialism puts “the common good” on top of the altar! The “dignity of humanity” is its idol. It is humanism at its worst and paradoxically, socialism then tends to insist that the good

of the individual ***must always be subsumed to the good of “the state.”*** That is why many call socialists “Statists.” Before we delve into a historical and Scriptural unearthing of socialism, consider Webster’s definition!

1. any of various economic and political theories advocating collective or governmental ownership and administration of the means of production and distribution of goods
2. a system of [society](#) or group living in which there is no private property *b* : a system or condition of society in which the means of production are owned and controlled by the state
3. a stage of society in [Marxist](#) theory transitional between [capitalism](#) and [communism](#) and distinguished by unequal distribution of goods and pay according to work done

Wordy, but vital! Simply put, in its pure form, ***socialism is collectivism***. It is a society where the state reigns supreme with a giant monolithic government running pretty much everything. Sound familiar – a bit like where the US has been going the past 7 years or so?

The simmering pustule to which I referred is this: America has been *increasingly* socialist for more than a half century. Socialism got a huge burst forward under Franklin D. Roosevelt (33° Mason and Democrat) as a result of the Great Depression (which was **created** by the Federal Reserve, a cabal of PRIVATE banks that is NOT an arm of the government). FDR began the New Deal. Socialism got another huge kick upstairs under Lyndon B. Johnson (another Democrat and Freemason) with his “Great Society.”

Socialism has metastasized over the decades under both Democrat and Republican administrations (*Both run by the Illuminati, mind you*). Under Obama, socialism took off *like a rocket*! That is why we now have twice the trillions in deficit than we did when Obama took office in 2009. Thus, we have a government running health care, taking over some of the major auto industries and meddling in many, if not all, private businesses with massive regulations, fees and taxes.

“Keep Killing until the Paradise Arrives!”

Note the last component of the above definition. Karl Marx (1818-1883), the founder of communist theory, saw socialism as a way **to gradually move a capitalist society towards a communist government.** This is what we have been seeing in the past half-century or so.

Socialism and communism can ultimately be traced to Marx's work during the 1860's - notably his book *CAPITAL*. His work had an enormous influence on the development of socialist and communist theory during the 19th and 20th centuries. Marxist ideology propagated the ideal that businesses (capitalists) were exploiting the workers (proletariat) and getting rich while oppressing their employees. These workers needed to be set free! Again, sound familiar?

Originally, it was believed by Marxists that either violent revolution (as in Russia) or else massive wars (World War I and II) would unseat the powerful capitalists and enable the workers of the world to “throw off their chains” and create a socialist workers' paradise. The slight problem was *that this didn't happen*. The war brought higher levels of industry and better standards of living to both Western Europe and the US. The Bolshevik revolution under Vladimir Lenin in Russia was a bloody nightmare. Many millions of Russians died to create the new “workers' paradise.”

In the newly formed USSR (Union of SOCIALIST Soviet Republics), the Bolsheviks murdered (by starvation) millions. They systematically starved to death around 15 million *Kulaks* (farmers who owned their own lands).

Later, during the *Holodomor* (extermination by hunger) in 1932-33, between 2 and 7.5 million Ukrainians were starved to death under the orders of communist Joseph Stalin, the second leader of the USSR.

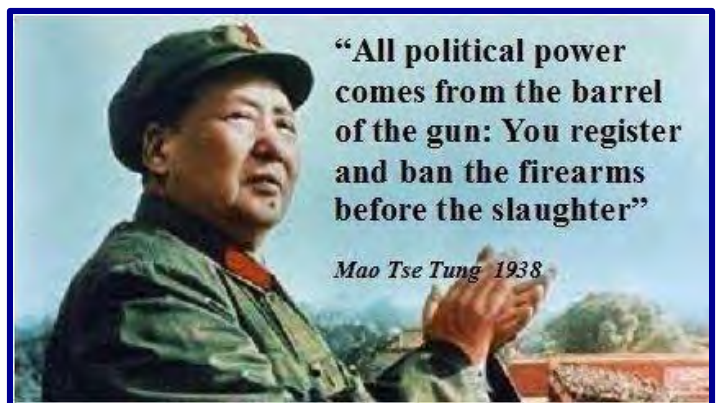

Additionally, more than 700,000 were killed in the dread Lubyanka prison. Stalin essentially ordered all of his political predecessors (the Bolsheviks) to be shot! His motto was **“Keep killing until the paradise arrives.”** Of course, it never did.

“Ideas are more powerful than guns. We would not let our enemies have guns. Why should we let them have ideas?”
~ Joseph Stalin

Then, we have National SOCIALIST Adolph Hitler. Though today's left-wing media tries to make Hitler out to be a right-winger, *he was actually a left-wing Socialist*. We know that his policies AND World War II cost the lives of tens of millions. The only difference between Hitler and Lenin and Stalin is that Hitler promoted **National** Socialism. He was a nationalist. Lenin and Stalin promoted **International** socialism.

A similar massive tragedy occurred under Mao Zedong in the creation of communist China beginning in 1949. Over the years, Mao (a Marxist Leninist) gained the distinction of **being the greatest mass murderer** of the 20th century. He had more than 70 million Chinese murdered – more than 35 million were farmers that he starved through his “Great Leap Forward.”

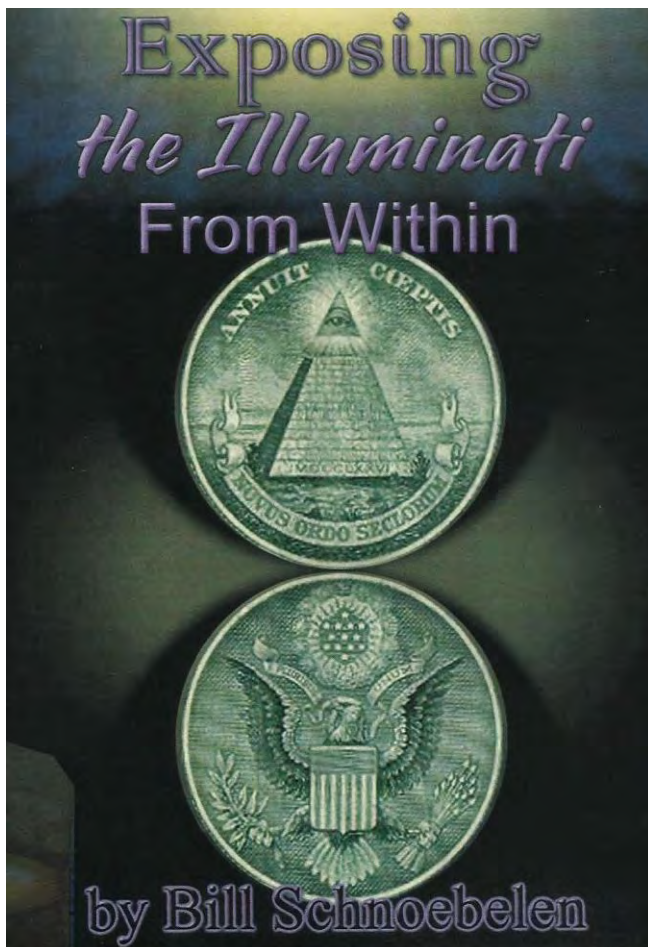

“All political power comes from the barrel of the gun: You register and ban the firearms before the slaughter”

Mao Tse Tung 1938

To summarize, the cozy political cult endorsed by Bernie **murdered over 100 million people in the last century**. In spite of this historical fact, Sanders honeymooned with his second wife in the USSR, fawning over the “socialist workers’ paradise” there.

Much of history has been covered up for decades because most journalists are starry-eyed Kool-Aid drinkers when it comes to promoting the socialist agenda. They prefer to gloss over the horrid genocides of socialist leaders and also fail to report how *miserably* it worked out in these countries. For example, in 1934 alone, there were 65,000 train accidents in the USSR. Why? Because Stalin had killed nearly all technicians and engineering staff.

EXPOSING THE ILLUMINATI FROM WITHIN

4 Hour DVD - Bill reveals satan's New World Order for these last days from a former insider's point of view. He discusses Masonry, Illuminism, Ritual Abuse government black operations, UFO's in end-times deception. Provocative!

The New Deal & the Great Society

As mentioned above, socialism came to America in a big way during the artificially created Great Depression beginning in 1929, but was only alleviated through the bombing of Pearl Harbor and the outbreak of World War II. During this time, Franklin D. Roosevelt was elected president – as a 33° Mason, he had an agenda. He brought in the **New Deal** and essentially, created the underpinnings of the welfare state we know so well today.

What many do not realize is that highly placed Masons and Illuminists manipulate society through the **Hegelian dialectic**. Hegel was a 19th century philosopher aligned with Marx. Briefly, his dialectic is: **Thesis-Antithesis-Synthesis**, or the bringing together two radically opposed ideas by creating opposition between factions and then, IMPOSING a solution.

In practice, this means that they:

- Purposefully pit different segments of society against each other, workers vs. industry, Blacks vs. whites, poor vs. “the 1%” or bourgeoisie class, land owners or business owners, etc.
- Deliberately create crises (economic disasters, wars, etc.)
- Then offer desperate people solutions (public relief or welfare or war).

The problem for socialists was that after World War II (contrary to Marxist theory), the middle class in the US and Western Europe enjoyed the benefits of a **booming, capitalist** economy. The US was seldom more prosperous and Americans seldom more content than during the 1950's. Happy people do not make for a good revolution, so with LBJ's Great Society, a monkey wrench was thrown in the works.

While no one can deny that Blacks were treated badly in the US in the first half of

the 20th century, they still had their families and their faith in Yahuwah. Even up through the 1960's, Blacks were terribly discriminated against – especially in the **Democratic** southern states, where notorious Jim Crow laws were passed and segregated schools for Black children were mandated. **Democrats** were also the fuel behind the KKK and lynch mobs!

The 1964 Civil Rights act (by LBJ) was a **good thing** in that it guaranteed voting rights and other equal rights to Black Americans. But with it, like a Trojan Horse, came the Great Society. This established a broader welfare program that was especially peddled to lower income Black people. While I do not have the space to go into all the details, the Great Society and the “War on Poverty” of Johnson was a travesty for Black America – and indeed for all Americans.

War on Poverty or War on Families?

Since the mid-1960's, the US has spent literally **22 trillion dollars** to end poverty in this country through socialist means. The result is that after a half a century of the War on Poverty, we have MANY more poor people (of all races) in the US! In 1965, the poverty rate was 17%. In 2014, in spite of all those trillions, it has only dropped to 15%. However - and this is HUGE - among **Black Americans the poverty rate in 2014 is 26%!** This means Blacks were hit *especially hard* by the War on Poverty!

Additionally, whether by accident or design, welfare regulations ensured the breakup of poor families. For women to qualify for aid for their children, a father could NOT be in the home. Fathers melted away into the woodwork of the Great Society. Thus, the illegitimate birthrate soared, and today among US Blacks hovers around 70%.

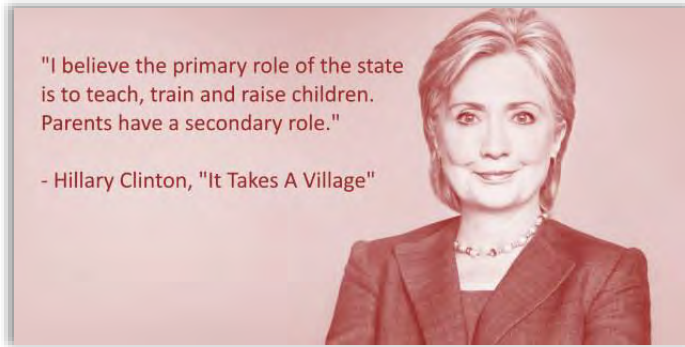

The result has been devastating for the black family **just as the elite intended**. This quasi-socialist class has created second, and even third-generation welfare recipients! And the inner cities (sadly) show the blight created by socialist policies. It is important to note, briefly, that ALL the terrible accounts we hear about cities with horrid crime, black-on-black shootings, poverty, ruined homes, buildings and infrastructure – ALL of those stories, without exception – happen in cities where, like Detroit, Washington DC, Chicago **Democratic** politicians with socialist agendas have been running things for decades.

BOTTOM LINE

You cannot really *find* a successful socialist economy anywhere - not in a municipality or any nation. They have either crashed or burned after a few generations and tens of millions murdered (like Russia and China – both of which have now become more capitalist and are succeeding) or else they are places like Sweden.

In contrast, states run by more free-market oriented politicians such as Texas and Oklahoma have booming, thriving economies, beautiful cities and much less poverty.

Liberals often mention Sweden as a socialist paradise. But Swedes live under *crippling* taxes to support their cradle-to-grave socialism. Additionally, their government does not have to spend much on defense because the **US defends Sweden with its vast arsenal**. The expense of raising a child in Sweden is exorbitant, so the birthrate is *declining*. In a few decades, there may not be many Swedes left! Almost all the European socialist countries have perilously low birth rates. **Again, a war on the family!**

Socialism is at war with the family. That is why it does its best to destroy it, either through poverty, illegitimacy, war or apathy. That is why socialists like Hillary Clinton write books called *IT TAKES A VILLAGE TO RAISE A CHILD*. That is why in the US, we increasingly see children categorized as property of THE STATE, not the property of their parents!

In the past 50 years since the Great Society was instituted, our nation has gone *deeper and deeper into debt*. Our cities have decayed and the infrastructure is collapsing. The vibrant economy (before LBJ tinkered with the economy) produced the interstate highway system, and the highest standard of living in the history of the world!

Our national debt, at the start of the Great Society, was \$322 billion. Today it is over \$19 TRILLION. That means that before socialism was introduced **our debt was around 1% of what it is today!** This has, of course, impacted the value of our dollar. Back then, a letter could be sent first class for 6 cents. Cost are rising and Socialism is destroying America as it has already destroyed Europe.

Sad to say, there is A LOT of evidence that many left-wing politicians (notably Obama) are deliberately trying to pile on the debt to drive the economy into the ground and force an economic meltdown (synthesis/anti-thesis) in order to set up a communist, socialist dictatorship (synthesis). **This has been their TROJAN PLAN since at least the sixties.**

Socialism and the Scriptures

Socialism frequently flies under the banner of "Christian compassion." Pope Francis, who is virtually a flat-out communist (even though communism was condemned as evil by every pope for a century), has repeatedly called for social justice (code for socialism) and rich nations to do more to help the poor. The pope does this from Vatican City where he dines on gold dinnerware and sleeps at night in a sumptuous palace surrounded by priceless art and his own battalion of soldiers.

In the 1960's the Catholic Church actually created a form of "Christian communism" under the work of a Jesuit named Leonardo

Boff. This was called Liberation theology. It depicted the Savior as a Marxist

revolutionary with bandoliers around his torso and an automatic rifle in his hands! This **bizarre** theology sprouted in Latin America, where (SURPRISE!) the current pope, *also* a Jesuit, hails from!

Many liberal pastors in Protestant churches have also jumped on the social justice bandwagon. Of course, neither they nor the pope are noted for staying very true to the Word of Yahuwah! While the Scriptures say a lot about caring for the poor and unfortunate, it is ALWAYS in the context of **voluntary giving**.

In the Torah, there were **three** tithes – one to the Levites to support them, one for the family itself to be able to rejoice and visit Jerusalem for Yahuwah's feasts (Passover, etc.) and a third was to be given to the poor in one's community. Another commandment in Torah required the corners of a farmer's field to be left un-harvested so poor families could come and glean the remainder. This is what we see in **Ruth chapter 2**, since both Ruth and her mother-in-law, Naomi, were poor widows. Note they had to do some manual labor to get their grain, both being healthy women. It was not just handed to them! There were other provisions for the poor as well, but space does not permit an in-depth discussion here.

Remember **Leviticus 25**? An incredible blessing commanded every 50 years, the *Jovel* or Jubilee cancelled all debts! Land would be restored to the original owners and slaves (which were mostly poor people who sold themselves into a kind of indentured servitude to pay off debts and also, thieves) would ALL be set free! This is the deeper meaning of the epigraph found on every one of WOAM's *Liberator* newsletters since 1992!

Proclaim liberty throughout the land.
– Lev. 25:10.

The point is, NONE of these provisions were done by force, at sword point, so to speak. In the same way, in the Apostolic writings we see frequent mentions of caring for the poor. But again, NONE of these were done through force! They were free will giving.
That is the KEY DIFFERENCE.

Socialism is THEFT! It involves taking money BY FORCE from those who have earned it through hard work - and giving it to someone else. Now, no one comes to your door at gunpoint and takes your money. It is extracted from your paycheck every week. But you have no say in this. There is no charity in this. It is theft by government fiat. It is a blatant violation of **Exodus 20:15**!

Anyone trying to avoid paying taxes by one means or another will find themselves threatened with prison or confiscation of their money by the IRS. Either theft or extortion – take your pick!

As mentioned, the welfare system set up by our quasi-socialist government has created a situation - tens of thousands of able-bodied men and women are not working. Some cannot find jobs (because of poverty and government regulations which have crippled small businesses) but others simply are not looking because they can make more money by collecting welfare or selling drugs. The Scriptures are clear about this practice. **2 Thess 3:10** makes it clear that if an able bodied person does not work, they should not receive money for food.

Genuine hardship, being laid off or thrown out of work (or being ill) is one thing - and the Word addresses those kinds of tragedies. But when healthy men and women refuse to work, they should NOT receive assistance. This kind of THEFT creates an atmosphere of resentment on the part of the working person who is taxed into desperation, and binds the souls of the idle...who soon start to decay from within.

The sad thing is, I can remember working (in the 1970s) at a foundry with many honorable men in their forties. They were *amazingly* hard workers. They put me to shame. But that work ethic has been decimated by the welfare system. In the fifties, most people were hard working, church going people. Today, many still are. But many thousands have been cast off into the welfare society where they are given free

food and housing in exchange for VOTES. Democrats dangle the lure of more “Free Stuff” before them, and unknowing, precious people become targets of racist socialists who exploit them and feed off their misery like parasites.

Beloved, this is NOT Scriptural. Set apart values are being undermined by socialism and the US is gradually being seduced into a full-blown socialist society, which is what we will get if Bernie (or Hillary) are elected. Either would just accelerate the process already begun by Obama - raised by a communist mother and grandparents!

This election year we must **pray like never before for wisdom AND the miracles** of repentance and revival in our land. This nation cannot survive another four years of crypto-socialist bilge. We need to pray that America returns to Biblical values in all its operations, including its economic system. We simply cannot be seduced with snares of a ‘progressive movement’ hatched by the Illuminati and bankers over a century ago.

While socialism seems compassionate to many Christians and appeals to most at the lower end of the economic scale, **it is built on blood and lies**. All economic-social systems require something for ‘benefits’ and ‘free stuff’ – either votes or money to be taken from one person and given to another under the color of law. This is NOT Scriptural! Remember that down through the centuries Believers have ALWAYS done much more than government to relieve poverty! So, what can we do to help today?

WE NEED A FOUNDATION OF PRAYER!

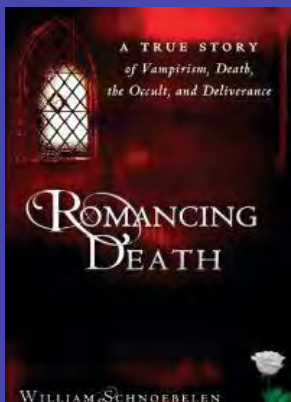

Beloved, these are the End Times. Many need our compassion and intercession. Then (and only then), we can offer help through united ministry outreach. Frankly, many congregations have forgotten to help the poor. Although many do their best - and that is a wonderful blessing - others seem far more interested in building colossal ‘entertainment’ stages, mega-churches and ‘feel good’ empires rather than helping those in need. If you attend such a church, PRAY! Ask for the Ruach’s **leading, wisdom and anointing** to exert influence for increased outreach to the needy.

And consider this: HEADSHIP.

Headship can be a blessing or bring a curse – Mary and I are praying about a new video teaching on headship - because so many simply do not understand the critical impact of headship on their lives!

YAHUWAH’s law of headship provides protection and blessing for the meek. But a perversion of headship opens a doorway to those submitted to unrighteous covering.

Congregations are subjected to religious spirits who teach heresies through a pastor. Children are open to attack from the forces controlling unholy parents, and wives from those working through their husbands. The one in the position of headship who engages in immorality cannot provide the spiritual covering that is a needed part of headship. Not only must all activities stop, but all past connections must be broken, renounced, and repented of.

Bill exposes romanticizing vampirism, the occult, and how it has invaded much of society, creeping into modern-day churches (and youth groups) to seduce young and old alike with fantasies of immortality, dark power and the seduction in the drinking of human blood.

This book dynamically exposes how millions have made soul ties to a shadowy darkness they cannot comprehend with devastating results – but then quickly moves on, revealing how Believers can equip minister to these lost souls.

NOTES FROM MARY

“And Deborah, a prophetess, the wife of Lapidoth, she judged Israel at that time.” - Judges 4:4

Numerous women of the Bible have bestowed upon us examples of faith, courage and leadership...Deborah, Rachael, Hannah, Sarah, Elizabeth, Mary, Anna and Mary Magdalene...the list is longer than one might suspect...but the point is that YAHUWAH seeks pure, willing vessels after His Own Heart. We, as His Beloved, are betrothed to His Word and what it says about how we should seek – and serve - Him.

When discussing women, most of Westernized Christianity today still adheres to what has come down to us through the dictates of Rome – promoting the belief that women fall into one of three categories: Mother, Wife, or Harlot. These Roman ideals teach us that women are pure and innocent, strong and virtuous or simply whorish. Obviously this ideology comes straight from the enemy's pit! This mindset is a shadowy stronghold on a Believer's life, and sadly, a powerful way that *ha satan* has debilitated the Body of Messiah, excluded called-out prayer warriors from the army of Yahuwah and stunting the Body's growth, holding us in the lap of Roman perversion.

All this from a culture where homosexuality was celebrated as the norm and in most instances, women were either slaves or used as noble 'brood mares'.

BUT YAHUWAH sees beyond the trappings of this mortal shell. HE looks upon the spirit. Even in ancient days Hebrew women (unlike all their contemporaries) were considered equals in every way to men, and often held positions of authority both in social and religious settings. As shocking as it may seem, remember in Hebrew the word for *sons* and most oftentimes *men* includes BOTH men *AND* women...it can also mean clan or inheritance. And note - women inherited land, position and authority in ancient Israel (no other culture allowed this) and also served in the temple (**Micah 6:4, Judges 13:23, 1 Sam. 1: 24-25**). Quoting from an excellent article titled, '*The Status and Role of Women in the First Century Messianic Community*' by Mark Ensign (JD, CPA, Teaching Elder of Adonai, Attorney and Counselor at Law, Amarillo, Texas):

In the Herodian Temple, standing at the time of Y'shua (*Yahushua, my note*), there was a segregated area called *Ezrat Nashim* (Women's Court). The Torah does not make any distinction of this court and it was given no special status in Jewish practice. **There were no prohibitions regarding the women moving from this court or restricting them only to this court. Only later rabbinic literature imposes such restrictions.**

But no references have been found to a Women's Court in the First Temple or the pre- Herodian Second Temple. Coupled with the fact that the Torah does not mention such a court, it seems this court may have been imposed by King Herod when he remodeled the Second Temple beginning in about 20 B.C.E. Perhaps under the Greco-Roman influence, **King Herod intended for women to have a second-class status, something they did not have in Biblical practice.**

Like men, women offered their sacrifices at the altar in the Priests' Court, passing through the Israelites' Court (the men's court) to reach the altar. A baraita says: "A woman was not seen in the [Priests'] Court unless she was bringing a sacrifice." From this it is evident that when women offered their sacrifices in the Temple, they did enter the Priests' Court. If, for instance, a woman offered a wave offering such as first fruits, she went up to the altar, waved the offering, and placed it beside the altar... The Nazirite's sacrifice was also waved in the Priests' Court (Bamidbar (Num) 6:1-21), and rabbinic literature discusses theoretical and actual cases of women who were Nazirites.

Remember the concept that one's bloodline is established through the mother is Biblical – and even today Jewish people look to their mothers first when tracing their ancestry.

I pray every day that I might be pleasing to Yahuwah – a Set Apart Woman of Power (or as Bill teaches, an “**Aisheet Chayil**”) and also pray for other women seeking a Set Apart life. Whether single or married, we are temples of the Ruach ha Qodesh (Set Apart Spirit of Yahuwah) and **MUST** seek Him humbly, purely and boldly in a Spirit of Truth.

Being somewhat of a ‘spiritual mother’ I have endured heartache, faced opposition and rejoiced in triumph for our spiritual ‘young ones’ – just as any mother would. There are countless mothers who are also spiritual leaders, laboring today to equip, gird up and teach the Body of Messiah as well as their own children. This is as it should be, how it once was and how YAHUWAH wants it to be as shown us in His Word!

As daughters of the Most High we have IMMENSE influence and spiritual power IF we are first and foremost living a Biblical, prayerful, Set Apart life. But breaking free from the ruinous Roman beliefs we grew up with is only the first step...we must ALL prayerfully seek liberation! Too many Believers still function within (although they may not realize it) the confines and limitations of false religious beliefs and ignorance. **ONLY A THOUGHTFUL STUDY OF THE BIBLE** combined with **PRAYER LIBERATION** can free us – both men and women – from the debilitating Babylonian rhetoric and misguided interpretations once accepted without question. Just remember: Marriage, motherhood, and being a Woman of Power are **NOT** mutually exclusive. **IN FACT**, they are symbiotic, necessary and vital for both the Set Apart family and for the Body of Messiah to flourish!

WISDOM: FOUNDATIONS OF BALANCE

More than anything we pray for wisdom. All spiritual gifts are a huge blessing, but Wisdom balances and refines Biblical Truth and strength. Without Wisdom we become brittle and hard, like old pottery, easily shattered. Wisdom is a profound spiritual gift given by Ruach that helps us resist self-righteousness by keeping us humble. Helps us resist pride by focusing our spirits on YAHUWAH’s vast greatness and leads us instead to seek understanding. Helps us resist making false judgments that open huge cracks into our armor by instead, putting the fear of YAHUWAH into us! I strongly suggest praying Proverbs chapter eight at least once a week.

The fear of the LORD is to hate evil: pride, and arrogance, and the evil way, and the froward mouth, do I hate. Counsel is mine, and sound wisdom: I am understanding; I have strength. By me kings reign, and princes decree justice. By me princes rule, and nobles, even all the judges of the earth. I love them that love me; and those that seek me early shall find me. - Proverbs 8:13-17

There is so much to be said about the special blessings and love a mother brings into our lives. I know for certain that without my mother’s prayers I would never have recognized the Light of Yahushua, and so much more...But in writing this article, Ruach led me to focus on our Biblical heritage and the Set Apart woman (whether single or not), and how we – especially women – need to engage ourselves in YAHUWAH’s plan for us as His Bride. Pressing into the calling, which is without repentance, for His highest praise! I was going to write about love...but Ruach had other ideas. Wisdom refines faith, hope *and* love!

Bill and I pray you have a blessed, safe, Set Apart summer! **Thank You all** who pray for us and support us financially – we are so *very* grateful. Summer can be an especially difficult time and your dedicated support helps keep us going strong for the glory of the KING of kings! We pray for you - our Friends and Partners – every day! **THANK YOU** for your prayers and gifts!

May our blessed Saviour equip you with His Word, wisdom, love, and protection. May He give you an ever-growing capacity for His Set Apart Spirit – May He lift up His countenance upon you and give you Shalom. **PRAISE YAHUWAH!**

Because He lives!

In Remembrance of Carol...

Many of you remember standing with us as we grieved the loss of my dearest sister, Carol, in May 2014. Her loss was bittersweet, for although torn from her beloved family by cancer, she now abides in the eternal, loving presence of YAHUWAH.

The release of Bill's DVD **CANCER WARS!** came just after the time of her passing – however, the teaching had been labored over in prayer and researched for well over two years.

We know the Ruach HaQodesh wants you & your family to have easy access to Bill's notes on today's best lifesaving cancer therapies...we pray it is a pure blessing for you!
