

THE LIBERATOR

“And proclaim liberty throughout the land...” - Leviticus 25:10

Beloved Friends,

Praise the name of Yah'shua (Jesus)! We glory in the Cross that the *LIBERATOR* is out! Our summer was very busy, full of joys (miraculous healings) and answered prayers, including one *little* thing in there somewhere called a wedding...

We're also thankful the Father is granting us the resources (volunteers) to gradually upgrade the website. Since spring, we've been able to transfer all our Straight Talks (dozens) online - they're now available as free, PDF downloads! Additionally, we have loads of tracts, deliverance prayers and Biblical guides available, including a new FAQ (Frequently Asked Questions) page for quick reference.

ROMANCING DEATH, Bill's first major book in 15 years, is in the final stages of production! This book presents a vital examination of the pop-culture vampire phenomenon (*TWILIGHT*, etc.) in light of the Bible, and combines 1) Spiritual warfare and deliverance strategies with 2) How to witness to those entangled by its seductions. *ROMANCING DEATH* is scheduled to be released in March 2012.

A blessing straight from the Ruach (Holy Spirit), our new DVD teaching series - *Treasure Guardians* - expands on Scriptural gems presented in *BLOOD ON THE DOORPOSTS*. Anointed and full of proven spiritual warfare strategies, the first DVD edition should be available by December.

In this *LIBERATOR*, we're blessed to share praise reports from Believers on how, through Messiah, we're making new inroads into the devil's kingdom, souls are being saved and gloriously set free!

Hallelujah! Thankful in Him, we deeply appreciate your prayers and offerings. Please pray about becoming a monthly supporter.

Pray for revival!

MARRIAGE ANNOUNCEMENT

I'm thrilled to announce that recently - Praise Yah - I remarried! My longtime friend, Mary, has become my dear wife!

Let me share a little about how the Lord put us together: Last spring, the Holy Spirit began speaking to us separately about our relationship (each of us holding those tender whisperings in our heart) and over time, gave both of us numerous - some spectacular - confirmations that our marriage was His Divine Will for us and With One Accord!

A prayer warrior and worship leader for many years, Mary's desire is to continue serving Yah'shua (Jesus) all the days of her life. We're both excited about her growing involvement with the ministry! Hallelujah!

Thank you all for your prayers and standing with us as we joyfully announce our marriage!

Shalom,
William Schnoebelen

“As cold waters to a thirsty soul...”
- Proverbs 25:25

Following are a few praise reports that Bill has recently received. These are the result of your generous prayers and gifts - Thank You for allowing us to serve the Lord and offer ministry to countless precious souls, many of whom cannot find or afford help.

Praise YHWH who equips us!

With our presence on Facebook and YouTube, we're having a greater impact on both young and old alike using social networking. Here are a few notes and letters we wanted to share with you:

Hi William,
We could not love your video teachings more. They are so incredibly informative and sheer blessings...for the love of God and undiluted Truth. Thanks so much for all your tireless and passionate efforts. You ARE a gem! – A.S.

Shalom brother; thank you for accepting me as friend, I will learn so much more, I have been set free from the curse of freemasonry. It is so wonderful to find people who know what I am talking about, thank you! – E.S.

I have wanted to send a message to you for a long time. A little over ten years ago, someone had brought me a book about wiccans, written by you. I had been raised in the church by my parents, but as time went by through my teenage years, I was introduced to tarot cards– began reading them, and started to follow the wiccan practices. Then I received your book. I faithfully read your book– and in the process Jesus touched my heart and I hit the floor in tears and repentance and I have never looked back! I want to say thank you for your book. It was a huge stepping stone along with the prayers of some special prayer warriors that helped to bring me to my moment of repentance, and my rebirth and journey with heavenly Father. I know you have probably heard stories such as mine for a long time, but saying thank you means so much to me. May God continue to bless you and your work. I know it is special! – Thank you, A.W.

Hi!!! I was thrilled to see you on Facebook. I have seen you a couple of times when you spoke at the Prophecy Club in Topeka Ks. Bought the book: **Blood on the Doorpost**. I ACHIEVED GREAT DELEVERANCE....was born and raised in the Mormon church and Paternal Grandfather was 33rd degree Masonmuch heart ache...but I AM FREE INDEED FROM THE CURSES thru the wonderful Blood of the Lamb Jesus Christ !!!! ;-)- D.B.

Hi, Bill. my name is R____, and i'm a born again Christian. i've recently come across your dvd "Interview with an Ex-Vampire." I am blown away by your testimonies, and the Holy Spirit gives me peace that you are telling the truth about all you've explained and experienced. My family and I all try to learn about Biblical truth as much as possible. Lately you've even kind of become a household name with us. Thanks so much for having the courage to speak out about things so few preachers will discuss. – Blessings, R.L.

Dear Bill,
I watched with great interest your presentation on Natural News TV and also browsed through your website. Last fall I had almost daily gall bladder attacks. ...I used Chanca Piedra (from the Amazon), gallbladder flush (Epsom salt, olive oil, grapefruit juice) drank Apple juice and fresh lime juice for two weeks. The result: no pain since October 2010. I did, however, another gallbladder flush in August and was surprised to see about 100 pea size gall stones coming out. My doctor still wants to remove my gallbladder, no chance. Thanks so much for the great information. – D.K.

TO THE BATTLEMENTS!

By William Schnoebelen

Halloween. Once again we enter the dubious season when, everywhere you go you see candy and decorations related to ghouls, monsters and ghosts. Of course, it happens earlier and earlier every year, as retailers try to scarf up as much money as possible. Merchants have a goal: to make Halloween as big as Christmas!

I'm assuming most readers of the LIBERATOR understand it is *NOT* a good thing to celebrate Halloween. Even though it has become enshrined by our culture for more than a century, it IS a pagan feast day. In the early, more Christian days of America, **Halloween was illegal**. It was only in the middle of the 19th century Americans began to celebrate this pagan feast.

The Catholic and Anglican churches "baptized" the pagan holiday of **Samhain** and turned it into All

Saints Day, But this has done does nothing to vitiate the dark power of Halloween.

Children are innocent and spiritually weaker than adults. Their “spiritual immune systems” aren’t up to deflecting the evil spirits unleashed on Halloween. Most parents cheerfully send their children out into the night (or early evening) in search of fun and tooth-destroying treats without a clue as to the danger. (The negative effects of high fructose corn syrup upon young minds and bodies are an entire newsletter altogether.)

In many communities, some witches go up and down the aisles of grocery stores before Samhain and speak enchantments over treats, ladling them with spirits designed to draw those who consume them into occultism and witchcraft. Of course, they think of this as a **good** thing. They believe their spells will *liberate* poor children stuck in “evil fundamentalist Christian homes” and enable them to “think outside the box.” Thus, they might reach out to more earth-friendly religions like Wicca.

When I was a witch, I would get up every morning at around 5 am and decree and do magick for several hours before leaving for work. During the time of Samhain, I would redouble my efforts. I believed I was helping the world by *conjuring* in the Aquarian Age!

Back then, our covens would also gather to do magick so that the “gates between the worlds” would open during the season and the mighty dead would walk the earth. We did not know that the “mighty dead” being summoned were actually familiar spirits. These gates between worlds are key demonic doorways of great power, and parents need to thwart them for their children!

Please realize that there are tens of thousands of witches in every state of the Union. Most of them take this season every bit as seriously as we did. Please keep your children *FAR* out of the milieu of Halloween. Offer them positive alternatives!

My point is this: We need to have a call to arms among Believers in Yah’shua! To quote famous cult-buster, Dr. Walter Martin, “**Are YOU**

willing to do for the truth what the cults are willing to do for a lie?”

How many Believers get up every morning and pray for their city for a couple of hours? I know we’re all busy! We all have jobs and family matters - children to take care of. But there are many more Christians than witches in most cities of the US. *Why are we not making more of a difference??*

We can see the corrosive influence of the New Age and the occult in almost every aspect of modern life. Films, TV and video games are over-run with it. It is even in the “church!” **The reality is, many congregations have totally lost any sense of the fear of YHWH.** I would submit to you that the primary reason this sort of thing is happening is that there is a lack of prayer cover in this nation.

We need to pray for our pastors that they become more aware of the awesome nature of their calling. Additionally, there is a lot of goofy doctrines out there. As I am finishing this *LIBERATOR*, Joel Osteen, arguably one of the most influential pastors in America, has stated publicly that “Mormons are Christians.” Talk about giving aid and comfort to the enemy! (If you do not know why Mormons are not Christians, please get our DVD, “Mormonism’s Temple of Doom - 2011!” It will educate you!)

I realize Osteen pastors a huge church and is a busy guy, but I really have to ask, *how much time per day does he spend praying and seeking the Spirit of truth?* I would pray that the Holy Spirit nudges him to retract this erroneous statement! Peoples’ souls and lives are at stake here! To say nothing of the danger to our country if Mitt Romney, a Mormon high priest is elected president - something which seems likely at this time.

I know we’re trumpeting a lot lately about prayer, but this is a critical time in our nation’s history. I

THE LIBERATOR

November 2011
Vol. XX, No. 5

get a LOT of email and letters from people fretting and worrying about comets hitting the earth or World War III or whatever else might be the “crisis or conspiracy *de jour*.” While I’m not diminishing the importance of keeping up on current events, people must realize that a LOT of the conspiracy stuff floating around out there is utter nonsense or misinformation. It can bring a spirit of fear and *that is not healthy*. Remember, the more you fear YHWH, the less you will fear man (or the world system)!

Yah’shua told us: “**Let not your hearts be troubled: ye believe in God, believe also in me.**” (John 14:1) and also “**And take heed to yourselves, lest at any time your hearts with surfeiting and drunkenness and the cares of this life...**” (Luke 21:34) While hopefully, none of you are overeating or drinking, we can become overwhelmed with the cares of this life. Peter also tells us to cast “**...all your care upon him: for he careth for you.**” (1 Pet. 5:7) The point is, unless you get your mind out of the Internet and pray more, it will be easy to become overwhelmed.

Our nation needs fervent prayer much more than it needs the fiftieth go-around of some conspiracy video from YouTube. Such things may be important, but unless there is something concrete which can be done about an issue, why keep spreading it around? I suggest spending at least 2-3 times as much time per day praying as you do sending and receiving stuff over the web. We need to be on the battlements, not glued to Facebook! (*And yes, I certainly DO maintain a Facebook presence, but I try not to let it dominate my life!*) Balance is the key.

Prayer should be the center of our lives. It is how we plug into the power of heaven and bring His power into our lives and the lives of those around us. Thank you for remembering us and With One Accord in your prayers. The more truth we preach, the more the enemy tries to hit us! Hallelujah!
