

# “THE LIBERATOR”

“And proclaim liberty throughout the land...” - Leviticus 25:10

Beloved Friends,  
Praise the name of Yah'shua (Jesus)! We are now into summer here. Since our last LIBERATOR, the Father has led us into exciting new understanding on several key topics and we're excited about bring these important teachings to you and your community!

My new book, ROMANCING DEATH is impacting many lives, and we praise Him for that. We're getting emails from all over the world from people who have been set free from vampirism or their “addiction” to TWILIGHT by reading the book. It is proving to be a *mighty* tool for evangelism and spiritual warfare. If you don't have a copy yet, make sure to order one - or more - to share! Several people have written and said they are giving books to neighbors who've had young people drawn into TWILIGHT and the vampire cult. The books are making an impact!

Plans for us to minister and speak several places are in the works. Please check the website for details. **If you would like to have us come and minister at your church or in your community, please contact us!** He brings an anointed message of profound liberation, revival of the soul and the Hebrew roots of the faith to all who hear him. Please call Bill if your congregation would like to have him minister.

On another note, we need your help. This is the time of the dread “summer slump” when all ministries suffer from low donations. People go on vacations and get busy and often forget that we still have many needs and bills to pay. So please be extra generous as the Spirit leads you, and also *please* keep praying! Hallelujah! Thankful in Him, we deeply appreciate your standing with us. Please pray about becoming a monthly supporter.

Pray for revival!  
William and Mary Schnoebelen

## *Spoils from the Enemy's Camp*

Today Bill got a call from a *high* level Mormon who wanted to leave the dynasty of disaster that had enslaved their family. He told Bill, “I want to SHOUT to the world how evil this false church is, and how Romney is not only in alliance with the Illuminati and the Bilderbergers!” Bill was able to lead him in prayer to Salvation. Please pray for this precious soul! He will need strength to stand against the enemy!

## THE THRONE OF FOOLS

By William Schnoebelen

*He that trusteth in his own heart is a fool: but whoso walketh wisely, he shall be delivered. - Prov. 28:26*

As of this writing, LDS hierarch Mitt Romney is the putative Republican nominee for the presidency. The response of Christians to Romney's candidacy is nothing short of *appalling!* He has spoken at my alma mater (a bastion of “fundamentalism”) Liberty U. He has been embraced as a “Christian” by pastors such as Joel Osteen. The fact that he is a Mormon high priest and scion of a powerful LDS dynasty does not seem to matter to many Christians. *This is bad!*

I realize I've been sounding the alarm about Romney for quite awhile (since 2008). Now our nation now faces a critical choice. There are things to be considered about candidate Romney which few in the media or the “commercial church” seem to want to discuss.

Leaving aside the **Mormon Plan for America** (which IS very real and scary)<sup>1</sup> there are many other worrisome things about Mitt Romney. I realize it's considered bad form to discuss a candidate's religion. But a man like Romney is deeply imbedded in the culture of Mormonism. He is fifth generation LDS and a high priest!

Romney was born in 1947 and went on his 30-month “mission” for the Church to France in 1966. No one can go on a mission without being “worthy” and going through their temple endowments. He would have had to do these things. The temple rites are quite bizarre and Masonic/occult in nature. They bear striking resemblance to witchcraft and Masonic initiation rites.<sup>2</sup> These rituals are demonic and infest the unsuspecting Mormon with many powerful evil spirits!

Because of his age, Romney would have spent almost **half** his life in a Church which claimed African people were “uncouth, uncomely, disagreeable and low in their habits.”<sup>3</sup> He was taught that “Negroes were not equal to other races.”<sup>4</sup> LDS prophet Brigham Young taught that the penalty for a Mormon marrying an African person was “death on the spot.”<sup>5</sup>

Though presumably he has left this dogma behind - neither he nor his Church *have ever apologized* to the African race for nearly 150 years of racism!

Even more bizarre would be his faith in the Book of Mormon, which IS truly a “**Book of Moron**” or a **FOOLISH** book. Mormons like Romney are taught that the Book of Mormon (abbreviated BOM) is *better* than the King James Bible. Indeed, LDS founder Joseph Smith taught that the BOM is “the most correct book ever written.”<sup>6</sup> Presumably, Romney believes this.

The LDS Church shot itself in the foot when, in 1980, it produced an *exact* copy of the original 1830 BOM for the book’s 150th anniversary. I bought one in Salt Lake in 1981 when I was out there to go through the temple.

As I read the original and compared it to the current edition, I discovered **over 3,900 changes**. This for the “most correct book ever written”? The funny thing is, the facsimile 1830 BOM is the best anti-Mormon literature *ever* - except, of course, for the Bible!

As a faithful Mormon, I had read the BOM through five times. (*That, alone, should have gotten me some kind of medal for enduring boredom!*) Presumably, Romney, as a returned missionary and life-long Mormon has read it through many more times than I.

Mitt appears to be a smart guy. My concern is that there are so many things *wrong* with the BOM, both on its own - or compared with either the original BOM or the Bible - that you would have to have the intelligence of a sand flea to miss how **horrid** the book is!<sup>7</sup> And this man is running for president?

Now I was not educated in the finest schools, like Mitt was. I do not have a brilliant financial mind like he does. But I sat down back in 1983 with my two editions of the BOM and my Bible and started asking questions. By the fall of 1984, I had a list of 32 questions about the BOM and its discrepancies. As an LDS elder’s quorum president, I sat and scratched my head.

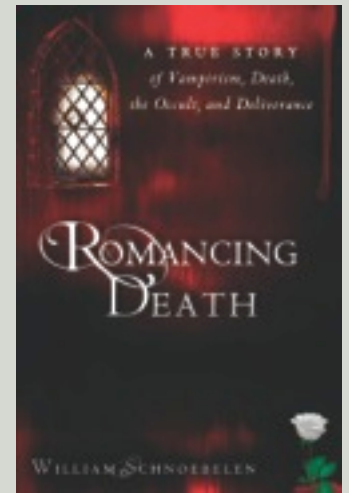

But please understand, it gets *worse!* Not only are there discrepancies between the original BOM and the current one (*dozens* of significant ones); but there are also **HUGE** differences between the doctrinal teachings of the BOM and the dogmas of the LDS church.

I asked this vital question: “*How come the ‘most correct book ever written’ contradicts almost every distinctive doctrine of contemporary Mormonism?*” Presumably, Mitt knows his LDS doctrine. Why hasn’t HE asked that question? Do we

ROMANCING DEATH is helping lead the lost to Yah’shua! We’re hearing from people in all walks of life who are using this ‘weaponry’ against the entertainment industry’s onslaught of souls.

WE PRAISE THE ALMIGHTY for intervening in the lives of His sons & daughters led astray by vampirism’s promise false resurrection!

Order ROMANCING DEATH today, and stand with us in this battle against the enemy!

really want a president who is so foolish as to uncritically believe everything he is told about something as important as the destiny of his soul?

**Just one tiny example of many:** Mormons are taught that the Trinity doctrine is FALSE. Their foundational belief of is that “Heavenly Father” and “Jesus” are two distinct beings. Supposedly, Joseph Smith learned this in the “sacred grove” during his first vision (*Joseph Smith History* 1:17-19). Yet right in the beginning of the BOM we find the “*Testimony of the Three Witnesses*” which ends by saying, “And the honor be to the Father, and to the Son, and to the Holy Ghost, which is one God.” Hmm.

So, which is it? Is there one God or three Gods? You cannot have it both ways. The BOM is so full of holes it makes Swiss cheese look like Kevlar! Do we really want someone running the most powerful nation on earth during this critical time when he cannot even use simple logic?

The problem is: Mormons are taught to uncritically accept everything from their Church. They are taught, “*When the leaders have spoken, the thinking has been done.*”

Concerning the BOM, they are to “pray about it” and get a “burning bosom” which will tell them it is true. That is what Mormons call “having a testimony.” It is “spiritual heartburn” and is totally **subjective** without a scrap of solid Biblical, scientific evidence to support it. At least the Bible has centuries of archaeological evidence to support it! The BOM has nothing except “burning bosoms.”

This practice ignores many Bible verses like the one at the top of this article (**Prov. 28:26**) and **Jer. 17:9**. The heart is easily deceived and only a fool trusts in it! Yet that is all Mitt has to go on with his Mormon faith. He is a fool, at best! We certainly do NOT need another fool as president.

Add to this the fact that supposedly Romney went to the recent **Bilderberg** meeting (*a group of high level bad guys who are just one notch below the Illuminati in terms of evil*) and we see that in addition to his Mormon allegiance, he will be a puppet of the “Enlightened” elite.

Mind you, we know Obama is even **more** deceived. One might say he is TWICE deceived. It is obvious he is at least a

socialist if not an out-and-out communist. That is one deception. But additionally he is - at best - a follower of racist radical Black Liberation theology (Rev. Wright). But it is more likely that he is a committed Muslim.

The irony is, there is not much difference between Mormonism and Islam. My dear brother, Mick Oxley, of blessed memory, called Mormonism "the American Islam" in a conference I attended in Salt Lake City in 1987. He knew whereof he spoke. He had been a Muslim for years!

So Obama is both an economic/political fool for believing in socialism and a religious fool for believing in the false prophet, Mohammed. And millions of Americans were even *bigger fools* for voting for him four years ago.

But, once again, the "Powers that Be" have given us a choice between "Tweedle Dum and Tweedle Dumber" - one fool and a greater fool! This has happened to our nation because it has departed from righteousness.

**We need to pray like never before for true Revival and for mass repentance.** We need to be on our knees crying out to YHWH for for miraculous deliverance. We need a Red Sea-parting miracle to save our nation from the throne of fools!

**Just a small sample of the emails and letters of testimony we get. Remember, your partnering with us makes these sort of victories possible! Rejoice in HIM and give HIM the glory:**

My story is just about as long as yours. I bought, read, and applied your book **Blood on the Doorposts**. My dad was adopted by a couple in Virginia where he was a Mason and she of the Eastern Star. Lots of family abuse, half-hearted suicide attempts on my part due to diagnosis of Bipolar. I was on 22 meds and nothing worked for almost 20 years. I read your book and applied it to my life. I was able to get over my dad's abuse at 33 years old - sound like a ReBirth?;. Thank you and Jesus for all you have done. I love ya Bill & God Bless J.

Dear Brother Schnoebelen,  
I have written you before but I just to write again and thank you from my whole family. We have four daughters and our whole family has been under demonic attack. My oldest daughter is only 16 but has been stalked by this being that claims to be a fallen angel. He is vampiric. You, along with our pastor, have given all the resources to deal with these attacks. Now, all four of my daughters are saved and no longer or hear demons. My fourteen-year-old and I led her best friend to the LORD and led her through deliverance. She is no longer suicidal and has

stopped cutting. We had some manifestations come up but I was able to bind off confusion because of BLOOD ON THE DOORPOST. Thanks again for allowing God to use you in such a mighty way. My family is eternally grateful. - J.H.

## Notes from Mary

Bill and I have just celebrated our first anniversary! As you probably know, we've found great love and joy together firmly rooted in Yahushua (Jesus). A foundation of love, intercession and devotion to the Word of Yahuwah has fortified our union and under His wing, allowed us to weather some pretty difficult storms this past year. But first, here's a little bit about me in answer to some of your questions. An introduction - to all our co-workers for The Messiah's Cause!

I'm more of the quiet type. Unless, of course, the Ruach Ha Kodesh (Holy Spirit) gives me unction to speak (or sing). When the anointing falls, I rejoice The Master can use me. Knowing I'm flawed, yet totally in the love and grace of the Messiah is life altering! *Nothing compares to Him.*

As a child I dedicated my life to Yahushua - rebelled as a teen, rededicated myself to Him in my early twenties and *never* looked back. However, during those teen years when I wasn't walking with Him, all aspects of the occult and new age were incredibly appealing to me - and I was seduced by evil that tortured my soul. Unfortunately, like many teenagers I'd made some really devastating spiritual decisions.

But the Good News! He never left me nor forsook me. Even back when I practiced the occult, there was always *something* (prayers by my saintly parents and ministry of the Ruach) that kept me from falling completely over the edge of darkness. Still, many bad things happened, and I was definitely NOT *free*...which was the lying hook that'd snared me into the occult in the first place. Instead, I was tortured with nightmares and evil manifestations I won't go into here. When you're under Satan's thumb, how can you possibly be free? You're just a puppet! The enemy is a consummate liar - and far too adapt at seducing the unwary!

After I rededicated my life to His Service and underwent prayer deliverance, my life changed radically - the Father began moving me into ministry: as a counselor, intercessor, teacher and worship leader. I volunteered with several other ministries before and after assisting Bill and Sharon's then-fledgling **With One Accord**.

After years ministering in prayer and deliverance with WOA, I moved away, using what I'd learned and growing in the knowledge of YHWH and His Word. I also attended university

and earned a college degree...all with certainty in my spirit that I'd serve Him full-time in ministry one day, but not really knowing how it would ever come about. *But I knew I'd heard His call!* So I did my best to be an example of His love in the humanistic world in which I found myself working.

But one of the things the Ruach did lead me to do over the past few years was learn to play the harp. Not a big one, just a small Irish-type folk harp. I've never had lessons, and certainly not claiming any great knowledge of the instrument, but we do sense that when those strings are strum, the Ruach's peace (**shalom**) fills the house. In the future I hope to take it with us when minister, and bring that shalom to others.

So, to the challenges: My mom had heart surgery two days after we got married – it was a time of very intense prayer and long hospital visits to the ICU and later, to the cardiac floor, and then home care. She recovered totally and supernaturally in what we were told was record time - Halleluyah!

Then, there were incredible forces of opposition last summer as we prayed diligently about the direction of the ministry, and later, warfare of unbelievable magnitudes during (we realized) the satanic high holidays. But we sing of His Glory and are under His Wing! No weapon formed against us shall prosper! We still haven't managed to get away for a honeymoon for one reason or another, and there's always cost involved with leaving for a week or two, which leads us to the last paragraphs of this epistle.

When praying what to write here, the Ruach whispered, *Tell them about yourself...where you've been. Ask them to pray for With One Accord, you and Bill, and about becoming a monthly supporter.*

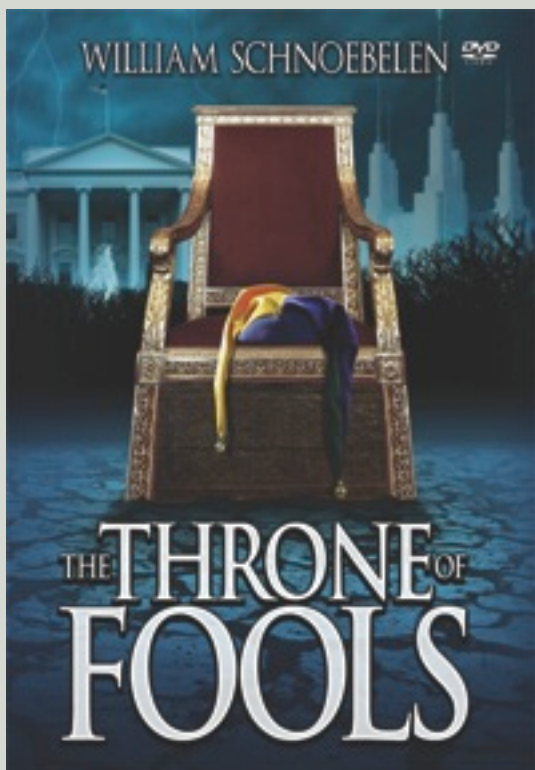

**Please pray for With One Accord Ministries, for Bill and me. We need and covet your prayers! And please pray about becoming a monthly supporter - there is great need, and much work to be done! Halleluyah!**

Bless you and your family always in Yahushua,

*Mary Schnoebelen*

## BRAND NEW DVD!

The 2012 election is destined to catapult America into social and economic revolution. *But to what end?* Americans are being forced to decide between a modern-day Stalin or a new American Ayatollah. Although appearing as politically opposite, Mitt Romney and Barack Obama are dark mirrored images of each other. On one hand, Barack Obama foolishly endorses crippling socialist values that have already brought down countries in Europe along with his veiled Muslim beliefs. On the other hand, Mitt Romney (a Temple high priest), is gullible enough to believe Mormon prophecies foretelling that the US Constitution would “hang by a thread,” and an LDS leader would rise to save the nation and turn it into a theocracy - putting his faith in a discredited, false “scripture” - the Book of Mormon!

Each candidate has a destructive hidden agenda that could lead America to ruin. What can be done to save America from almost certain economic and spiritual disaster? What are Bible believing Christians to do with such an electoral choice? Find answers as Dr. William Schnoebelen teaches on, *The Throne of Fools!*

This DVD is available for a suggested donation of \$24.95 either from our website or by phone or mail order (item #304).
