

Prayer for our Marriage

Loving **Abba**, I thank You for Your perfect plan for our marriage. I know that a marriage functioning in Your will is fulfilling and **beautiful**. I bring our marriage before You that **You might make it all that You desire it to be.**

Please forgive me for my sins of failure in our marriage [specify]. In the name of our Master **Yahushua the Messiah**, I tear down all of the evil one's **strongholds** designed to destroy our marriage. In **Yahushua's** name, I break all relationships between us that have been established by the evil one and his demons. I will accept only those relationships established by You and the blessed **Ruach ha Qodesh**. (*Holy Spirit*) I invite the **Ruach** to enable me to relate to [spouse's name] in a manner that will meet her/his needs.

I submit our conversation to You that it may please You. I submit our physical relationship to You that it may enjoy Your blessing. I submit our **love** to You that You might cause it to grow and to mature.

Abba Yahuwah, I desire to know and experience in marriage the fulness of Your perfect will. Open my eyes that I might see all areas where **I am deceived**. Open [spouse's name's] eyes that he/she might see any of the evil one's deceptions upon her/him. Make our union to be the **Messiah**-centered and blessed **relationship** You have designed in Your perfect will. I ask this In the name of our Master **Yahushua the Messiah**. **Omain!**
