Just as an example, your first day we would recommend reading: Genesis 1, Joshua 1, I Kings 1, Psalms 1, Proverbs 1, Isaiah 1, Daniel 1, Matthew 1, Romans 1 and I Thessalonians 1. Then the next day you would read the next ten chapters and so on. Do this and you will get through the Bible twice in one year! This plan is good, because it gives you a balanced “diet” of spiritual nutrition and it prevents folks getting bogged down in some difficult passages like Leviticus or I Chronicles. Of course, we recommend strongly **ONLY using the Authorized Version (King James Bible)**.
