

Prayer to Bless, Anoint and Seal Electronic Devices and/or Mirrors in Your Home

(Use consecrated anointing oil – oil that has been prayed over and blessed by you set apart for the service of the Kingdom of Heaven. It can be simple olive oil, almond or jojoba oil or some essential oil like frankincense – whatever you have on hand. As you begin to pray, lay your hand on the device/mirror or hold it in your hand.)

Abba **יהוה**, I come before Your Throne in the Mighty Name of **Yahushua** the Messiah and as the owner of this device (smart-phone, tablet, TV, or computer) I humbly ask to You to consecrate and set apart this _____ for Your service.

In the name of **Yahushua** the Messiah Who is **YAH** come in the flesh, I now command any evil spirits or anything created with a name which may be within this device or the network of this home (or office) to leave **NOW** – never to return. I formally declare that this _____ is the property of the Kingdom of Heaven and of the Almighty King of the Universe, Yahushua. You have no more right to be within this device or within this network anymore because I have dedicated it and set it apart unto **Yahushua**.

(As led by the Spirit, if needed, name specific strongmen)

I now bind you all together as one and I **weaken** you with the Blood of Calvary. I say **יהוה rebuke thee**. I command you to **GO** where **Yahushua** the Messiah tells you to go by the voice of His Set Apart Spirit and leave this device and this place forever, in **Yahushua's** Mighty Name. *Omayn*.

In **Yahushua's** name, I now set apart this _____ for His Kingdom and I ask Him to bless all of its parts and components that **no** unclean thing may ever be transmitted through it again. I declare by the Power of the Cross and Blood of **Yahushua** that this portal into the digital world is **sealed right now and forever** from anything wicked or defiling. Please put the impenetrable Shield of Faith and Large Shield of Favor around this _____ and keep anything evil from ever entering into it or coming through it again. I ask all this in Yahushua's name. *Omayn*.

I pray the **same** prayer for the computer network in this home (or office) and ask that **NO** unclean thing would **ever** be allowed access to any of the portals of this network in any way shape or form. I declare by the Power of the Cross and Blood of **Yahushua** that this network is **sealed** right now and forever from anything wicked or defiling. Please put the impenetrable Shield of Faith and Large Shield of favor around this network and keep anything evil from ever entering into it or coming through it. I ask all this in **Yahushua's** name. *Omayn*.

(Now, anoint the device like the doorposts were anointed in Exodus 12 – on the right and left sides and on the top with anointing oil – refer to graphic on page three.)
