

BLESSINGS OF YAHUWAH

A Prayer to Bless the Soul
(Psalm 103)

We are the blessed of **Yahuwah**. The sword of **Yahuwah** is drawn against those that seek after our souls. The spear of **Yahuwah** (Hab. 3:11 and Joshua 8:18, 26) is aimed against those the evil one has sent to persecute us. No evil communication shall be successful against us because we are **Mar YAH's servants**. No curses that are spoken against us, released towards us, or sent our way by the wicked or the religious will be successful against us this day or any day! They will not light upon us but slide down to the ground, sterile and non-effective.

We are under His authority. We are under His blood, and we are under the whole panoply of the armor of **Yahuwah**. *Every* weapon formed against us will misfire today. We declare that we are **Mar YAH's** darling (Psalm 35:17). We are the favored of **Yahuwah** (Exodus 19:5)

A mighty **Joseph** mantle is upon us. We are set apart for such a time as this. In the spirit world of **Yetzirah**, we walk with a **Tallit of many colors**. We have the wisdom to prevail and solve mysteries,

the strength to persevere, and the mind *to excel and succeed.*

We bless our:

- Blood to flow right!
- Heart to beat right!
- Bones to be strong!
- Muscles to carry us where we need to go!
- Skin to insulate, protect and seal us!
- Organs to function the way **Yahuwah** intended when He put us in our mother's womb!
- Youth to be renewed like the eagles'!

We ask **Abba** to bless us for length of days. We will live a blessed life today with a crown of righteousness on our head, a garment of **Praise** above us, and a **Tallit** across our shoulders to do what we are called to do. Angels are all around us keeping our steps and prospering our way. We have great stamina. A wall of **Ruach** (Spirit) fire is about us, and a canopy of **Ruach** fire is over us. The banner of **Yahuwah** is over our heads like a personal rainbow.

We ask **Abba** to bless us this day for an encounter with **Yahuwah**. We bless our countenance to draw in from that encounter and our face to glow with **Yahuwah's** glory. His glory shall be seen upon us and it shall influence all who come in contact with us this day.

We ask **Abba** to bless us to be in the right place at the right time and to walk with a right spirit before our fellow man and family. We will walk right into destiny and divine appointments today. If there is catastrophe today, we shall not be there when it happens. We shall be hidden in **Yahuwah's** pavilion.

If there is violence today, we will not be there; the angels of **Yahuwah** shall direct us away from the path of the violent. We will hear of it, but it will not come near to us. We are not under the circumstances, under the weather, or under fire. We are mounting up, and we have a broad wingspan. We will rise above it all.

Our enemies may spread their nets for our feet, but we will see their pit and step around their trap. We shall escape; yet they shall fall into the very hole they prepared for us. This day, **Yahuwah**

is in the process of frustrating the tokens of the liars. He is bringing great controversy to our enemies' camps. Confusion totally drowns those that would dare to tamper with **Yahuwah's** purposes for our life.

We do not just believe we are blessed; we walk it out. We will *demonstrate* it. We decree it to be so. We speak that the mountains be brought down, our valleys be brought up, and the path of **Yahuwah** be made straight in our lives. Our way is not hard nor the path difficult.

We are alive by **Yahuwah's** decree. We will *stay* alive and be active and productive. Our life will be full of **good deeds** and miracles so that when **Yahuwah** decrees our time is up we will not linger nor languish, but have treasures to lay at our Master's feet. *It will be a life well lived!* We bless ourselves in **Yahushua's** Name! **Omein!**

Yahuwah's blessings rest upon us this day. We are pleasing to **Yahuwah** and He enjoys our fellowship. We are well-favored and more than able to receive His

abundant provision. **Yahuwah's** angels accompany us on our right hand and on our left. They shall guide us! **Yahuwah's** goodness and mercy shall follow close behind us and be the guardians between us and our past.

Yahuwah has determined that we shall have good success because we move in faith and in strong courage. Our eyes shall see the salvation of **Yahuwah**. He shall keep us safely under His wings and pinions. I declare this day that we are protected and delivered from the evil of the day. We shall not stumble nor fall, for **Ruach ha Qodesh** has anointed our eyes with eye salve to see clearly and has given us ears of the **Ruach** to hear precisely. We will be wise in our generation.

Our soul will rest in **Yahuwah's shalom**. He has declared us to be strong and pleasing in His sight. We will eat the fruit of His promises in the land of the living and will enjoy long life and length of days because we have wholly trusted in the **Yahuwah** our **Abba**. Our habitation shall be a place where we will rest in His love, find hope for tomorrow, and joy that shall strengthen us as we rest upon our bed. He shall restore our soul and give us rest in the stillness and quietness of our home.

In our prayer chamber, the **Ruach ha Qodesh** shall birth a creative and powerful mind and give us sound ideas

that will bring us great favor. He shall give us fresh anointings and bless our ministry with good results. **Yahuwah** is pleased with us and has placed His Name upon our foreheads. We will call upon Him and He will show us great and mighty things we know not of. In **Yahushua's** Name! Omain!
