

We treasure your notes, cards, email and love. Without YOU none of these past 35+ years of With One Accord Church Ministries could have happened. **TOGETHER WITH YOU, Dearest Family in Ministry** - we've shared God's Salvation and Liberation, YESHUA'S WORD of TRUTH and often the very essentials of life with those in need. THANK YOU BELOVED! As we observe and celebrate the LORD'S SEASON of LIGHTS and plan Outreaches for the coming year, the Holy Spirit is heavily pressing on us to Pray as *never* before! We MUST become even MORE vigilant, disciplined and focused - in *unity*!

Please know we TREASURE YOUR PRAYERS & SEE MIRACLES WROUGHT BY THEM!

THANK YOU FOR STANDING WITH US! We know in YAH's Tender Mercies He redeems the lost - liberates tormented souls through His Miraculous, Eternal Love and heals the depths of brokenness no human eye can see. Only HE can bring the Gifts of Spiritual Perception & anointing...PRAISE HIM FOREVER & EVER!

We honor and THANK the blessed Ruach haKodesh (Holy Spirit) for the Praise Reports from those who receive Ministry. Attached are a few we wanted to share! We hope it strengthens your walk with Yeshua and 'lights your FIRE' to **FERVENT PRAYER!** He is just waiting to invest us with Supernatural Power, Gifts, Grace and the Victories we all so desperately need...WE PRAY THIS IS A YEAR OF MIRACLES.

Speaking of miracles - We're also sharing some **PRAYER REQUESTS** from WOACM's Intercession List. PLEASE remember the needs of these brothers and sisters during your intimate Prayer times! As the Church Militant here on earth, with our Voices raised as ONE we can petition and bring blessings on those who are wounded, alone and in need of the GREAT Comforter (including one another)! Together as the Body of Christ we Intercede and Hammer Out Salvation, Liberation & Sanctification for His lost and wandering Lambs on YESHUA'S TABLES in HIGH HEAVEN!

Again, BLESS YOU and PRAISE GOD DEAR FAMILY! Through our Prayers and Ministries TOGETHER we impact the destinies - the eternities - of hundreds of thousands of souls.

JOIN US in the coming months as we DELVE EVEN DEEPER into HIS GLORIOUS LIGHT!
MAY THE RUACH IGNITE YOUR SPIRITUAL FIRE during this SEASON OF LIGHTS! HalleluYAH!

Because He LIVES!

Dr. Bill & Marv Schnoebelen

SOME PRAISE REPORTS YOU MADE POSSIBLE!

Dear Heart, Even by Your standards, this one (**Mysteries of Forgiveness**) was something else! Thank You for this message, Thank You for all You have done for Me over the years, Thank You for all that You do. Yours under The Blood of The Master – R.R. in the UK

Your ministry has been a blessing to my life. Thank you for all that you contribute to the Body of Messiah. I just heard the Mysteries of Forgiveness podcast today- it was powerful, cut me to the heart and was exactly what I need in this season. I need to watch the Dark Roots, Withered Souls... Thank you, - SE

Thank you for your recent Note, Mary. Yeah, you see so much lovey dovey going on on FB. But there are many families who aren't in that picture. Things are not ideal with me - but what some mothers have tried doing for their children, as you have stated, but then get deadly hurt is gut wrenching. Happy Mothers Day to you as you continue your weary but Holy work. - L.J.

I watch your teachings and truly love you guys. The Lord has blessed me tremendously and I'm glad I'm able to help your ministry because I am truly blessed from it. I'll never forget the night when I was having an emotional breakdown and the Lord reminded me I'm not alone and used Bill to tell me that and it meant so much to me. Please pray for me because I too deal with a lot of spiritual warfare and need prayer. - BE

Thanks Dr. Bill for ALL you do!!! I've learned SO MUCH from you about Real witchcraft and satanism. - LR

The army of Christ is so very indebted for another saved Child of God such as yourself and for turning your back on Lucifer and his demons. I'm racing to unlock all I can when it comes to The Word. I've been a stringent and veracious reader of all things warfare. I really get enthused about picking your brain through these ultra-informative posts! Be well and with The Almighty Yeshua!! - ISN

Dr. Bill I was sickened by the show at the Olympics. Thank you for explaining it. I felt like a Mikvah was in order after that! Also thank you for putting into words why so many Christians back Trump. He seems to be working against the New World Order. If he had ever been to Bilderburg meetings it would have been reported by someone!- TC

Thank you for your wonderful work and testimony Dr. Schnoebelen. I pray you and your family be truly blessed! - D.S.

Thank you! I am a FORMER Entered Apprentice Mason, but after seeing your video, I was convicted and did some study. I've renounced the Lodge and sent a demit letter. Darkness has lifted off me. - M.B.

Shalom! Thank you for your courageous work in Messiah! It has totally blessed my family! May Elohim continue to give you all strength and encouragement. - S.R.

Thank you for all the great videos and free resources. We used your teaching on REDEMING the FIRSTBORN to pray for our son who was troubled (22 years old) and now he is much more settled in Christ. He is wonderful. Thank you so much!! - B.D.

Thanks for providing information we can't seem to find anywhere else. Very valuable. Using your warfare prayers has really helped calm down the neighborhood LOL. - W.V.

Thank you so much for answering our email. You are like the North star to us. When we don't find (see) the way, your teachings are guiding us. With regard, R & S

Thank you so much and much love in Jesus name to both of you. You may never know this side of heaven how much it has helped me just to have someone listen and care that is faithful. Who is actually willing to pray. There was actually five or six years that I couldn't even stomach picking up my Bible because it reminded me of all my bad experiences with Christians, and all the battles I've had trying to help them out without getting support myself, despite asking them. - C.R.

May God continue to bless you and your ministry. Thank you for the heads up regarding the high activity on WATCH DAYS -- it's appreciated. Please keep me in your prayers. Sister J, Toronto, Canada

Dear Bill, I am thankful for your work, I have been sending your videos around the world to every person I suspect may have been hunted by Freemasonry, trying to help them wake up and repent. It has been described by many in detail how corrupted and how spiritually polluted Freemasonry and Eastern Stars are, but I am here to testify as to the deep disgusting swamp I have personally witnessed while living in London. The final blow was lately that the Pentecostal Freemason Manager who wanted to recruit me in their secret society fired me for giving a New Testament to a service user, a refugee from Morocco. - Anon

Dear Bill and Mary, My wife and I would like to tell you how much we have been blessed by your ministry over the years. It started back before we were married, and just friends in college. We were a part of a Christian evangelistic organization on our campus and found your videos from the Prophecy Club. We have learned so much that we were able to share with others that had open doors to the occult in their lives, and are so grateful for your testimony and your teachings. We have been watching your videos a lot lately and have been learning so much about spiritual warfare and just drawing closer to the Lord through your teachings. Thank you so much for your reverence for the Word of God and your heart to walk before God in a holy way. - Anon

Thank you for all your support and the money you sent during my cancer crisis. It helped me get transportation and therapy during a really tough time. Please keep praying for me! - Anon

The Lord has greatly blessed me through your prayers and ministry. Thank you for the many hours you talked with me when you're so busy and for helping me learn how to pray for my lost family. I'm very grateful for the groceries you helped provide and all the amazing health advice, especially for my knees and ankles. Red light therapy works! You're both a great blessing to so many! - RN

Your beautiful work over the years has brought many lost sheep back to the Good Shepherd, Dr Bill, exposing works of darkness and leading souls to the Kingdom of Heaven. Thank you very much for your faithfulness and all you've done, turning all the plans the devil had for you back around for the Glory of GOD and His Victory in a mighty way, YESHUA HA MASHIACH'S blessings to you and your ministry and prayers for protection! - B

I love all your materials and can't wait to hear more; I am practicing your spiritual warfare strategies in pleading the blood of our Lord Jesus over everything, renouncing curses and evil spirits in His name, and also using the **free resources** in cleansing land house foods pcs, etc., thank you and God bless you and let me know how I can bless you back - TV

Thank you so much (for a small financial gift). I think I'm gonna' cry. Yes, I have been and will continue to ask God to provide for you that you may continue to provide for others. - Anon

I just found you here on Rumble. I have been watching you on YouTube for a long time, but now I find you here on what appears to be a more free forum than YouTube. God bless you and thank you for your teachings, especially the controversial or unpopular teachings which are the messages most needed in these dark times. I am glad to finally be able to comment to you. I am so glad to find you here! - KB

Thank you so much for caring. For tending my wounds. Your love has made all the difference. - DS

Please pray for my finances and cancer situation...I'm still having chemo brain episodes. The thermostat on my refrigerator decided to go out. It's about 60° in the refrigerated compartment. Of course I don't have Credit and I'm pretty tapped out for the month. And it's too warm to really keep food outside even though it's December in Ohio. - C.

Please pray rebuke and bind for my son N. He's being tormented by demons! Now being mentally evaluated not my doing but most likely going to a pycs ward! He knows they're demons. He got suicidal! I know my God is mighty and will work this out for a reason! God bless, MC. **UPDATE: My son N. has told me that mirrors and his TV were the portals. He knows now they were demons! God is in control and all in this. Glory to God! Thank you for your prayers and encouragement during a trying time! Much love, M.C.**

Please bless, protect, and guide E. and R.

Pray for both P. and friend. P has tried witnessing to friend who was a JW for 14 years before getting into new age with a twist – Friend bases his "theology" on the movie AVATAR. He says YHVH is just an alien.

From CE: My ex-husband has developed some claustrophobic symptoms, PTSD and lots of anxiety after being the victim of psychological abuse. He has moved into a crisis home for men. So that takes a lot of energy from me to be his friend. I haven't experienced him this fragile in 30 years & I have to walk on egg shells and try to be the strong one. Which is difficult. **PLEASE PRAY!**

For D. who has just lost his mother and is suffering from cancer.

For R.: Healing, finances, discernment, a home she can afford in a safe place.

For D. to have favor with God and strength to work. For his health & finances. That he be healed of his brokenness and anger. To have discernment.

For P. to find a job and be delivered from a spirit of oppression.

Healing for J. and blessings in his struggles.

Healing for M. and salvation for his ex-wife and children.

That THE FATHER would send angels to help D.D. in marriage, family and her healing ministry.

For W. & her children – Healing, finances and deliverance for ex-husband oppressed by addiction & satanism.
