Nurturing Terror?

By Dr. William Schnoebelen © 2017

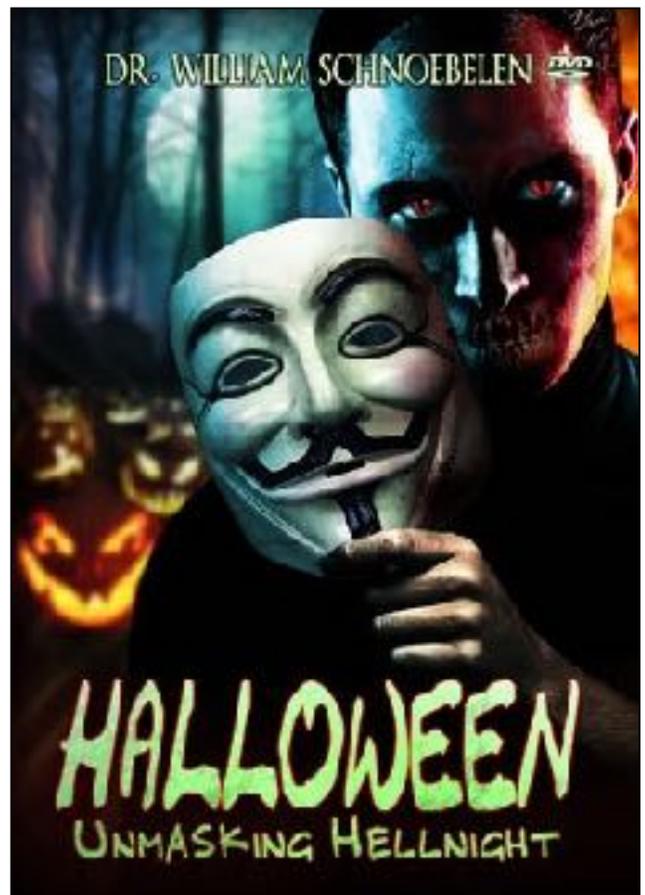

“Ye cannot be partakers of the table of Yahuwah, and of the table of devils.” – 1 Corinthians 10:21

“For Elohiym hath not given us the spirit of fear; but of power, and of love, and of a sound mind.” – 2 Timothy 1:7

Since that fateful day and events of September 11, 2001, the word TERROR inundates our lives. We hear it every day. And increasing violence across the world has changed how we perceive the sufferings of others. This not only has a brutal physical impact on us, but all these calamities and events meant to terrorize us have an incredible impact on our children. They may not always express it audibly, but they understand the images they see on the news or hear about at school - and so do their gentle, sensitive spirits.

Terror is a much deeper phenomenon than fear. It is more ferocious, more visceral. There is even a different word for it in Scripture. It is *PACHAD* (#6343), which usually means terror or dread. It signifies a profound level of bone-rattling fear. The most famous occurrence is in **Psalm 91:5:**

“Thou shalt not be afraid of the TERROR by night, nor for the arrow that flieth by day; Nor for the pestilence that walketh in darkness; nor for the destruction that wasteth at noonday. 7A thousand shall fall at thy side, and ten thousand at thy right hand; but it shall not come nigh thee.

While terror CAN come from Yahuwah to His enemies or to sinners (Job 31:23), more often than not it comes from the adversary. Numerous scriptures tell us to not be afraid, including the ones quoted above. By all accounts, fear is the enemy of faith. The more faith you have, the less terror you experience. Yet increasingly in our culture, we are exposing Yahuwah's most precious gifts, those delicate souls of our children - to bone shattering terror-filled experiences that have a tremendous impact upon their hearts and lives! Do we even consider what happens when we permit our children to partake of Halloween, watch terrifying films or read scary books? When we do that we are overloading their already burdened souls with unnecessary terror!

When I was a new Christian in the 1980's I was astonished at how many churches celebrated Halloween!

Additionally, both Mary and I have personally ministered to *hundreds* of Believers raised in Set-Apart homes who were exposed to some form of Hallow-Terror that CHANGED THEM dramatically in a creepy, spiritually dark way. Hellnight activities blasted open doorways for the spirit of fear and of terror to come in and haunt them all their lives, until we prayed with them! Parents, do you want this legacy of terror for your children?

We Believers can KNOW that if we bring up our children **prayerfully and peacefully**, in the knowledge and fear of Yahuwah and do NOT expose them unnecessarily to ha satan's ministry of fear, we have in us a power that can effortlessly turn aside Halloween's evil. And Friends, the hell unleashed on All Hallow's, known as HELLNIGHT, is just that. Pure evil.

Yahushua said: "In the world, ye shall have tribulation: but be of good cheer; I have overcome the world." – John 16:33

Redeeming the Firstborn

Hello Mary Schnoebelen... My Husband and I have recently found With One Accord Ministry. It has been a BLESSING to our family! Your willingness to speak truth has changed our lives. Thank you! I'm prayerfully seeking the Ruach to lead me in making decisions to be a set apart woman of Yahuwah.
-M.M.

Plead the Blood of Yahushua and the victory of His cross and resurrection over your children daily! Send them out into the world knowing that you love them and He loves them and lives within them. Do Spiritual Warfare against Samhain, the world's influence and against all the wiles of the devil and his minions! **Turn away from false, Romanized teachings** brought into the Body of Messiah through centuries of torture and death against Scripture-believing saints.

We are here to help. PLEASE take some time and visit WOAM's website - take advantage of the MANY free teachings and prayers available to help you learn prayer strategies! Together, we can share these with others who need this information to fight the good fight! KNOW that in Yahushua we can

DESTROY ALL the weaponry ha satan has devised to come against us and our families!

Thank you so much [For Prayers on the website]. I have prayed them before but it's been awhile and it's time to print them out and do them more often! For about 6 months this past year I had a crippling spirit of fear...I asked Mary what to do...she told me to read Bill's BOTD book, among a few other things..like cast out the spirit of fear. It's been several months and I have been a completely different person. Your ministry is so invaluable to me...I pray whenever I see you ask. You guys have made a prayer warrior out of me...thank you, thank you, thank you. I am seeing the POWER of God for the first time in my life. - A.M.

HALLOWEEN IS HELL NIGHT - DINING WITH DEVILS!

Spiritual Warfare is REALLY amped up this year for Believers during these dark days before Hell Night. Regarded as ha satan's birthday, when the gates of the underworld are opened, witches and satanists are doing spells and magick rituals NOW to open portals from other worlds to gain power, control, and throw curses. People and animals disappear in far greater numbers around the orb of this satanic helliday than almost any other. IN TOTAL CONTRAST, Abba Yahuwah's Set Apart Scriptural Feasts celebrate LIFE - and counter the HELLISH spiritual forces at work!

Join Dr. Bill as he exhorts the Body of Messiah to PRAY IN POWER and VICTORY in the PROMISES OF THE ALMIGHTY CREATOR OF THE UNIVERSE in the Scriptural flow of Abba YAHUWAH's Feasts!

NOTES FROM MARY...

I WENT TO THE DOCTOR & MET A VAMPIRE....

True. Just a few weeks ago. I actually saw him morph, watched his cruel, red eyes glowing at me, and saw him grin. He seemed to salivate at the prospect of draining both my blood and energy. BUT YAHUWAH! The vampire got way more kickback than he was expecting.... But before I share more, let me just say that we have many friends who work in the medical profession...and they are sincere, kind, loving and dedicated healers! This was the first time I went to see this doctor – and you guessed it – definitely the last! So...

LEARN MORE - DEFEAT THEM!

If you aren't aware that some doctors and medical professionals use their position of authority to suck the life out of their patients and that vampires HIDE IN THE MEDICAL profession (and other professions with both access and authority over clients), well, it's time you do. I wrote the whole episode down in my spiritual journal - but RUACH, the Set-Apart Spirit said, '...wait. Wait until I tell you to post and publish what happened today.' So I did. Now, it's time...

Please understand that back when **Bill was a vampire** and addicted to drinking blood, I was there...one of his friends and part of his coven. [NO, I haven't told my story yet - but I will.] Everything Bill has shared about being a blood-sucking vampire is true, and when RUACH tells me it's time to share what happened to me from my own personal experience, I will... it was pretty horrific stuff. However, until then, **I praise Yahushua for His Tender Mercies, the Salvation He has given us both, for His Precious Blood and Kadosh (Holy) Name that SET US FREE....HalleluYAH!**

He called both Bill and I to the ministry years ago (though separately) and poured His anointing oil into our lives to minister His Deliverance and Liberation to the captives! It is humbling to think just how much Yahushua and the Father love us...especially when you've been set free from the very pit of unglamourized, undead hell.

HIS FACE MORPHED...

So, I had a medical appointment and the doctor seemed very nice – quiet. Mild-mannered, really...yet after his initial once-over, he left the room briefly to get something. When he came back to continue the exam he brought a light, shining it into my eyes to watch my pupils contract. He positioned himself directly in front of me to look straight into my eyes, WHEN

SUDDENLY his entire face morphed! This was NOT a vision. It was not an ethereal, ghostly thing. It was real death, mocking. Laughing at me. Eyes blazing. He was there and he was real. Physical. Manifested. A vampire!

I looked for an image to share here and found several, but they're just too evil looking...so I decided against it. But imagine something akin to a triggered Gollum from *Lord of the Rings* *snarling just inches from your face*. Or a Nosferatu from the original 1922 movie. His eyes were huge, his mouth full of jagged, long, razor-pointed teeth. His ears were pointed. His gray skin was thin over lumps and bone. Grinning, he waited for me to scream or something...Thank YAHUWAH my shields were up from morning prayers! He held this form for a good 10 seconds or so...**but he couldn't touch me or come closer**. The man who was supposed to be a healer, someone I was supposed to trust - was pure evil and had shown me his true identity.

The kindly doctor was gone. He was a vampire!

TOTALLY changed. It was real. AS real as anything I have ever seen.

He hovered in the space about a foot from my face, mocking. But he'd let down his glamour – and YAHUWAH had shown me the evil within! Now, most of you know Bill has an incredible gift of DISCERNMENT to see into the spiritual realms for ministry. It's truly miraculous and something I've always thought I wanted and prayed for often...but I hadn't weighted the cost. When Abba opened my eyes during this exam (and I knew it was YAHUWAH Who'd done this for me), He shed an entirely new light on the power and RESPONSIBILITY of having this particular Spiritual Gift - not only its impact on me and on those around me, but of its vital importance to the Body of Messiah during these dark days and End Times. So the gift, I believe, has been given...but **is developing slowly in HIS TIMING**.

PRAY FOR THE GIFT OF DISCERNMENT, YES - BUT IF YOU PRAY THAT YOUR EYES BE OPENED TO SPIRITUAL REALMS - FIRST COUNT THE COST. DON'T BE IN A HURRY!

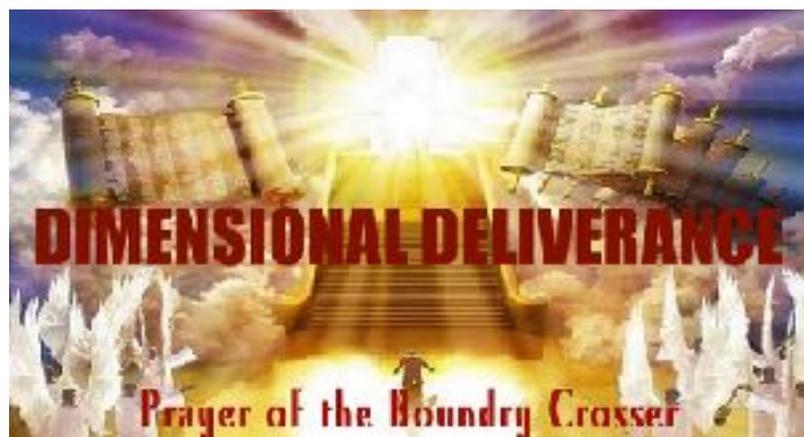

Having been initiated into the vampire culture long ago, I knew they were real. I know blood-drinking is real. I have seen things most wouldn't believe...But seeing this very old vampire in a doctor's office?

I stared at him. Unflinching. And he stared back. Irate.

He wanted fear. I sensed him smelling for it. I somehow 'heard' a silent growl. Still, I gave him nothing - praying and rebuking him silently. His eyes contracted into slits...I knew he was assessing me for future 'use' – still, I felt no fear. Safe.

I wondered if he could see the

**[CLICK HERE TO LISTEN!](#)
DIMENSIONAL DELIVERANCE
PRAYER OF THE BOUNDARY CROSSER**

Malakim around me with their swords lowered, crossed at his throat. I could see those, too!

The vampire held himself in this morphed mode a GOOD LONG 10 seconds, no glammers to hide the hideousness of his face. Then, he moved slightly...and the doctor was himself again. Why Abba Yahuwah allowed me to see this, in this way, I do not know...but Thank goodness Bill was outside, praying the entire time!

It's so strange, I mean it was SO REAL – yet I was not afraid. Maybe because I WAS READY FOR SPIRITUAL BATTLE. Because Bill and I had prayed like we do pray every single morning, FIRST THING. And because I know WHO is my strength and shield! My Salvation, and my high tower! Yahushua Messiah is, that's WHO!

I am sharing the link to Bill's story here too, to help others learn how this can happen to a person, how people get drawn into dark blood cults, and how as Believers we can help those who are intrigued with the glammers of VAMPIRE CULTURE! We also have free **Radio Teachings on our website**, and Dr. Bill will be doing a live **RADIO SHOW** on OmegaManRadio October 30th, with host Shannon Davis from 8-10pm CST.

PLEASE DEAR FRIENDS & PARTNERS, PRAY as NEVER BEFORE!

PLEASE join With One Accord Ministries in outreach ministries during these perilous EndTimes! Prayerfully make a commitment to support WOAM monthly with your gifts and donations - or make a special love gift offering - your faithfulness is changing lives eternally!

Thank You!
