

THE LIBERATOR

“And proclaim liberty throughout the land...” - Leviticus 25:10

Beloved Friends,

Praise Yahushua! A couple days ago I received a victory message on Facebook. A man thanked me for helping him tremendously 25 years ago! Suddenly, I realized I've actually worked in ministry over 26 years - amazing! The Father told me to begin With One Accord Ministries in October of 1992! Looking back, it's humbling and deeply touching to realize not only *what* the Almighty has done - but *how* He's done it!

Many have asked how I was called into the ministry. For those of you who haven't heard this story yet, here's the short version: I received the call to ministry while "testifying" before a Mormon Church Stake High Council in Cedar Rapids, Iowa, in 1985. I had already become born again, and renounced all ties and repented for my membership in the church. But as a former elder, I had the right to demand a Stake High Council trial in response to my request that my name be removed from church membership rolls. (We recommend *all* folks leaving false religious systems like Mormonism formally have their names removed from the records of the group to break possible doorways of spiritual attack.)

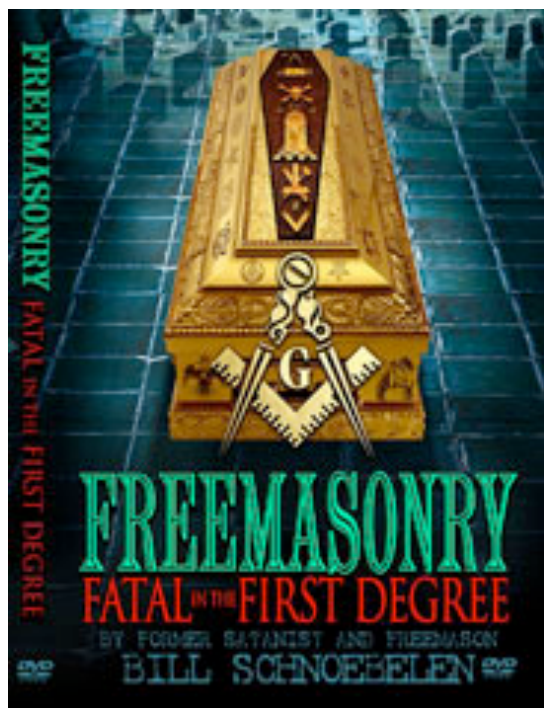

I testified before the Council for two hours, explaining to the Stake President and High Counselors the TRUE gospel of

Yahushua and the power of the Blood of the Lamb that'd set me free! I told them how they, too, could be set free from the bondages of false religion. While I was talking (and they couldn't interrupt me), the Holy Spirit showed me a vision of a sidewalk. A deep crack appeared in the concrete. Then, a beautiful vine began growing up through the fissure. Like time-lapse photography, a rose grew and bloomed before my eyes in seconds.

I was a young Christian, and I'd never had a vision like this before, but I clearly heard His Voice speak to me even though I continued testifying to the Council about the Gospel of Grace. He said: *"I am calling you to teach My Word to the nation - especially to those trapped under false doctrines. Glorify My Word and My Name before the lost."*

Within a year, (the summer of 1986) I was preaching at a Christian conference in Salt Lake City to a packed house, giving the talk that jump-started my ministry: *Joseph Smith and the Temple of Doom*. Less than a year later I was working in full time ministry with Ed Decker at Saints Alive in Jesus!

NEW DVD!

During the last 25 years we have been asked many times, *"How dangerous is Masonry, really? My husband never made it past first degree. How bad could it be?"* Bill's new teaching gives powerful and irrefutable answers to this question!

In this well-documented, lavishly illustrated DVD, Bill (who was **deeply** involved in Freemasonry: York Rite, Scottish Rite and the Shrine for 9 years) shows how even the First Degree of Entered Apprentice brings a man and his family right into the dark heart of the temple of Baal worship!

If you have family or friends in the Lodge or even *thinking* of becoming a members, it's *vital* that you see this first!

This DVD is available for a suggested donation of \$24.95 either from our website or by phone or mail order (item #305).

Friends, some of you have been with us from the beginning. Your faithfulness is so very appreciated. Others of you have just found us. We rejoice with those the Father leads to our ministry! Your questions, prayers and support allow us to minister to the needs of the Body of Messiah, and to those in desperate need.

Almost daily since 1992, we receive news of lives changed because of what the Father has done through With One Accord. Just the other day, a man called who had watched one of our teachings and was so profoundly moved, he left behind his faith in Islam (he'd been a Black Muslim) and gave His life to Messiah! We talked for a long time. He wanted to know how to be set free from the forces holding him in bondage, and I was able to pray with Him and help him renounce the false god Allah! The warfare in the spiritual realm was intense, but he was liberated and went on his way rejoicing!

The day before that, I received an email from a main line denominational pastor. He had a the heart of a real shepherd, and was increasingly being confronted with the occult and opportunities to minister to folks coming out of witchcraft, etc. He tried to brainstorm with other pastors in the area about this, and sadly told me, "They never looked at me the same again." So he emailed me, desperately wanting help. He asked me to mentor him, and I said, "Yes!" He told me nothing he'd learned in seminary had prepared him for ministering to the lost like watching my videos had - but he needed more assistance. As the Almighty allows, I will be consulting with him as he raises the Sword of the Word to pierce the darkness in his area!

Yesterday a brother on Facebook posted this after watching my interview on Alex Jones' INFO-WARS:

Great job as usual Bill! ... I only recently discovered you and feel blessed to have found you -- I equate it to a man crawling around in the desert for years, dying of thirst, and suddenly coming upon Niagara Falls. You are such an amazing wealth of information.

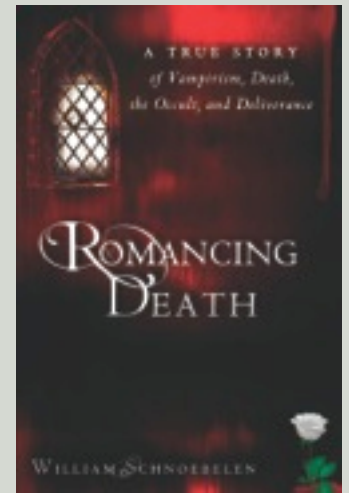

Humbling, but I rejoice that folks find the work the Spirit has led me to do a blessing. A few of days before that, a Mormon lady called up. She had seen the DVD, MORMONISM'S TEMPLE OF DOOM and wanted to get out of the LDS church. I was able to give her some advice in dealing with some particularly persistent "home teachers" from the Church who were trying to convince her to stay. She also asked about putting up a **Mezuzah** (doorpost scripture – **Deut. 6:4-9**) to defend her home as an aid in her growing understanding of spiritual warfare. I led her through prayers of renunciation and showed her how to download the instructions on our website for leaving the Mormon Church. Before we had hung up, I had shown her a place online with nice, inexpensive Mezuzahs.

Here's an interesting story: A week or so before that, an atheist man called up. He also said he'd seen some of my DVDs and was impressed that someone of my background would be preaching out of the Bible. He told me my arguments for the existence of a Creator and Redeemer had broken through his

"hard shell of skepticism" - he wanted to ask me for prayer! After 45 minutes talking on the phone, he prayed to accept Messiah! *Hallelujah!*

I mention these accounts not to boast – except in the Cross and Resurrection of our Redeemer, Yahushua. I share them simply to let you – our readers and supporters – know that we are slugging it out daily in "the trenches" for the Kingdom. We have ministered on four continents in seven countries in hundreds of churches and have logged literally hundreds of thousands of air miles spreading the Good News of the reign of Messiah and we will continue until He calls us home!

Many of you have stood with us in prayer and financial support over the years. We have people on our mailing list who have partnered with us since 1992 and we cannot THANK YOU ENOUGH. Please know that every precious soul saved or set free is a shining jewel in YOUR crowns to be cast at Yahushua's feet!

Pray for revival and for the salvation of our nation!

POWER TOOL: FASTING

This brief article is but a segment of a larger article which will be up on our website in a few days for free download under the NEWSLETTERS tab. Please read it and pray about making fasting one of your spiritual power tools!

Moving to a different, but *vital* topic: Many people are hearing the clarion call our ministry is putting out to **PRAY** for our nation during this time. One of the key part of spiritual warfare is fasting. While most Believers know about fasting, there are a lot of different ideas out there and people have asked for my opinions. Oddly enough, the idea of fasting does not really appear in the Word until **Judges 20:26**. Here goes:

Then all the children of Israel, and all the people, went up, and came unto the house of God, and wept, and sat there

before the LORD, and **fasted** that day until even, and offered burnt offerings and peace offerings before the LORD.

The idea is clearly *repentance*. Israel is being torn apart because no one was taking the commandments of Yahuwah seriously. After this day of fasting and worship, Yahuwah gave them victory! In **1 Sam. 5:7** we see a similar pattern of fasting and repentance - also with Nehemiah, Ezra and Esther.

We also see in **Psalms 69:10** that fasting can be used to “chasten” the soul. The sense here is of disciplining our hearts and souls by afflicting them. This is probably where the practice came of “afflicting our souls” by fasting on Yom Kippur, the Day of Atonement (**Lev. 16:28-30**). Because the body is usually weakened through fasting (**Ps. 109:24**), the soul’s relationship with the Holy Spirit becomes a bit keener during a fast. Of course, it would be unbiblical to fast to the point of death or anything near it – LET ME SAY THAT AGAIN: No one should *ever* fast to the point of death or near death!

Many are familiar with the passage in **Isaiah 58**, which brings the idea of afflicting the soul AND spiritual warfare into focus:

5 Is it such a fast that I have chosen? a day for a man to afflict his soul? is it to bow down his head as a bulrush, and to spread sackcloth and ashes under him? wilt thou call this a fast, and an acceptable day to the Lord? 6 Is not this the fast that I have chosen? to loose the bands of wickedness, to undo the heavy burdens, and to let the oppressed go free, and that ye break every yoke?

Helping the oppressed to gain liberation is another reason that fasting is a real POWER tool in our spiritual warfare arsenal. This is strongly echoed in the gospel of **Matthew (17:21)** where Yahushua says of deliverance, “...*this kind cometh not out but by prayer and fasting.*” Interestingly, the NIV and many other apostate “scriptures” omit the words “and fasting” because the devil does not want Believers to know the power of fasting in setting folks free.

Fasting can also be used to open our spiritual eyes to deeper truth. This is what Cornelius did in **Acts 10:30** and as a result he had a great angelic visitation which led to his family’s salvation! Other examples include fasting before important spiritual decisions. The apostles did this before they called and commissioned Barnabas and Saul (**Acts 13:2-4**).

This is a brief survey of scriptural teachings. The Bible is not really specific on all the details of fasting. Because the Biblical day (according to Scripture) starts at sundown, I usually fast after dinner until dinner the following day. Fasting, if your health permits, should be nothing but water. Many people are not able to do that for medical reasons and there is NO condemnation in that! Do what you can. Our Father looks upon the intent of the heart. Also, pregnant women, nursing mothers, children and the very elderly should not fast.

A slightly less severe form of fasting would be to just drink water and fruit or vegetable juices, or perhaps a vegetable broth. Some people with blood sugar issues could attempt that for a day. Some teachers talk about longer fasts (3-7 days, etc.) and if you really feel led to do that, I would talk to your health care professional first. In this day and age, most people are not in a health condition where they would tolerate that well even if it does seem more spiritually effective. That should be a matter between you, the Holy Spirit and your physician.

I often suggest folks do what is called a Daniel fast which is what you find the young prophet doing in **Dan. 1:8-15**. He and his Hebrew companions refused the food of the king knowing it would not be kosher. So instead, they ate pulse (something like vegetable soup or lentils). If you just eat vegetables for a few days, this is a less severe fast, but it is still very powerful!

Just to be brief, an important insight here is that no matter which of these methods you use – or how long you fast – one thing is certain: Your body will be **burning some fat**. Why is that important?

If you do a deeper study of the Torah, you will discern some interesting things about fat. Fat is part of the choicest offerings. It is what got Abel his approval from Yahuwah (**Gen. 4:4**). That is the *first* mention of fat in the Scriptures, and as you may know from the Law of First Mention, that makes it highly significant in defining a word’s deeper meaning.

You will see that the fat of an offering is used for the most sacred rites in the priesthood of Israel, like the consecration of Aaron as High Priest (**Ex. 29:13, 22**) and the peace offering (**Lev. 3:3**) and the atonement for sin offering of a priest (**Lev. 4:1-9**) to name just a few. But, you might ask, what does that have to do with fasting?

Remember, we – as Believers – *are temples of the Holy Spirit!* When we eat, we “burn” the calories of our food to keep our bodies running. A calorie is even a unit of heat. But when we are fasting we are burning our fat (a most pleasing offering) on the “altar” of our temple! This is a powerful symbol – and yet something so much MORE than symbolic.

Fasting focuses the higher parts of the soul heavenward. I do *not* mean as in death. It is rather that when your body is briefly released from the job of digesting food and all its associated elements, the mind (part of your soul) is more free to focus on the things of heaven.

It brings a restful clarity to the soul which is invaluable to our prayer and intercessory life. Trying fasting one day a week and you may be astonished at how it can jump start your prayer life!

Notes From Mary

Interceding for With One Accord (WOA) is a calling dear to my heart – THANKS to EVERYONE who stands with us and prays! Our Father blesses us all daily when we agree for miraculous victories, salvations, and deliverances! HALLELUYAH!

The Ruach (Holy Spirit) has worked through Bill exceedingly over the past 26 years – and I for one am unspeakably thankful. Where would I and countless others be now if we hadn't been reminded of the Messiah's Good News, Mercy and Deliverance as only Bill can express? You may have read in my last Note that I supported WOA many years after re-dedicating my life to Yahushua (Jesus) nearly 30 years ago. As a supporter and friend, I saw (and see now even more), that Bill gives all - always. I KNOW Bill CARES. There's an old saying: "*If you done it - it ain't braggin'!*" Bill's given his entire life, livelihood and heart to Yahushua, even in the face of persecution and false witness. His prayer list is long, and every morning he prays several hours for those we minister to and also, for those who minister to us through gifts. Bill is a humble guy. I've never heard him bluster or be puffed up. But I thought you all should know he never forgets those in need, or his responsibilities as a teacher of the Word.

Our partners are dedicated folks. Faithful, true, and full of the gifts of the Ruach HaKodesh. We treasure those who pray and give! When someone calls or writes a kind note, or sends a thoughtful gift...even a thank you – our joy and appreciation overflow. Then, when the phone rings two minutes later and someone's filled with despair, running from ha satan or crying out for help, your words and blessings become supernatural in strength! Because when we bless one another and bear each other's burdens in the anointing, our prayers become as sweet incense to Him - THEN miracles happen!

While praying about this month's note, the Ruach strongly impressed me to write about gifts – how they touch lives... ours, and the people we minister to: strangers, sinners, saints...we're all blessed because YOU prayed, YOU gave a gift, or said, "*Bill, we appreciate you Brother!*" What goes around comes around.

So THANK YOU friends for your generosity, love, prayers and gifts! This is a spiritual war we're in and we need your backup more than ever as we war on the front lines. Each victory **is a gift TO YAHUSHUA**. Our ministry is possible because the Father has poured out blessings, anointings and

gifts to us, **THROUGH the Holy Spirit and YOU**. We are partners with the Spirit of the Creator!

Speaking of partnerships, Bill and I have been married 17 months now. Sadly, we still haven't gotten away for a honeymoon or vacation. In fact, Bill hasn't had a real rest or vacation **in over 20 years**. He works tirelessly. Please help us friends - My spirit knows that the Ruach is going to speak to Bill profoundly during a well-deserved short time of rest. But we need your help.

Most think we have many donors...but the truth is that those standing with us monthly (so we can *keep* ministering in the Father's fields) are few indeed – usually less than 40. We're AMAZED at how the Father has maintained us through the years! But right now the need for rest, retreat, and intercession for the ministry are at an all time high. I know you understand. Our friends need rest too. Every soldier needs some R & R! Bill needs time to seek the Ruach about launching a new project of WORLDWIDE IMPACT for Messiah. Our hearts are only to share His Gospel with a dying world! Honestly, if everyone on our prayer list sent \$10-15 a month - or better yet, \$20 a month in celebration of **With One Accord's 20th anniversary**, Bill could take a deep breath and take the time to seek the Ruach for answers! Friends – Saints – please pray about joining us in partnership and sending a gift to offset expenses for With One Accord!

Bless you all and please, share your praise reports with us – we'd love to hear from you!

All Glory and Honor and Praise to the Father through His
Son Yahushua HaMossiach (Jesus Christ)!
