

Mighty Heavenly Father: First, we confess that Yeshua the Messiah is the King of Kings. We declare that we – as His disciples – have no King but Yeshua!

Right now we ask you Abba, to equip us with the Full Armour of Elohim that I might go into battle protected by Your Almighty Hand. I pray that there would be NO retaliation against me or my loved ones before, during or after this time of prayer! I humbly ask and thank YOU for coming against all the plans of the enemy for me, my family, our church, our community and the world at large – I DECLARE YOU and PROCLAIM YOUR DIVINE SOVERIGNTY OVER US IN YESHUA'S NAME!

I ask you to take the Sword of the Ruach (Spirit) and the Battle-Axe of Elohim and shatter and obliterate any of the dark constructs being forged right now by the devil and his minions, both human and demonic. I bring the power of Yeshua's Cross of Calvary against any sorcerous power structures and destroy those structures with the Divine Light of Christ Messiah and the purifying power of His Shed Blood.

I especially come against the evil energies being unleashed by any and all blood sacrifices or torturous rituals, right here, right now – including those of the Divine Rite of Kings. Abba, we KNOW that the power of the Name and the Blood of Yeshua is ALL POWERFUL and perfectly capable of reducing the plans of the enemy to nothing. We CLAIM that reduction right now and ask YOU to send your MIGHTY MALAKIM to enforce YOUR WORD IN THIS MATTER, in YESHUA'S MIGHTY Name! I ALSO DECLARE YESHUA IS RISEN AND ALREADY DEFEATED ANY TERRITORIAL CLAIMS & ASPIRATIONS OF COUNTERFEIT AUTHORITIES not of His Father's Kingdom.

Using the Full Armour of Elohim, I destroy the dark powers behind the war engines – both spiritual and temporal. I shatter the powers of nihilism, atheism and satanism with the Sword of the RUACH which proclaims the devil's judgment as a false el and an accuser of the sons and daughters of Ayl Alyon (God Almighty).

I am a son (daughter) of the Living Elohim and by the Power of Word of Elohim I declare that the works of the enemy and his servants are utterly destroyed. By His authority, I pull down the super-structures of the temples of evil being erected on earth and in the dream realm, as well as in all dimensions, and ask that Yeshua crumble them into dust.

Finally, I beseech You, Mighty Abba, that you would roll back the occult powers which were released into the world by these various satanic blood sacrifices – especially these Divine Rite killings - and render them powerless to further interfere in the affairs of humanity. I pray that the human beings who attempted to implement these things would be brought to repentance if possible by this display of the Awesome Might in the Name of Yeshua and the Power of His Cross and His Word. I Pray that if they do not repent that they would be brought to swift judgment before the Throne of Yeshua, the ETERNAL KING OF KINGS!

I ask ALL these things of YOU, our Heavenly Abba Father, in the mighty name of our Sovereign Master Yeshua the Messiah! Omain!
