Abba YAHUWAH, I come before your Throne in the Name of my Sovereign KING Yahushua the Messiah, and in the authority of Yahushua's Name, ask you to cut any and all unrighteous soul ties between myself and any person or entity [*NAME(S), if appropriate or remembered*] created by sexual acts, rituals or any other unrighteousness relationship – specifically the sin of sodomy or any sexual perversions, known or unknown, remembered or forgotten. I ask you to use the Sword of the Ruach haQodesh (Set Apart Spirit) to cut any and all unrighteous soul ties that exist between us right now, once and for all time, through all dimensions, timelines and times and seasons!

If appropriate: i.e.. *for consensual* adult behavior: I confess right now any sinful sexual acts (especially sodomy, homosexuality, or other sexual perversions, etc.) and ask you specifically to forgive me for doing these things. [*include sins as remembered*] I cry out to You Abba Father and ask YOU to place all these sinful acts under the blood of Yahushua the Messiah (**1 John 1:7-9**) and to forgive me.

Abba Father, in the name of Yahushua the Messiah, I also ask that You immediately SHUT any and all demonic portals, doorways or gateways opened into my life or this realm by these perverse and abominable acts. I pray that you would stop the influx of demonic forces or energies into me, my family and this world immediately. I also pray that you would seal off any Typhonian Tunnels existing within me. I further pray that you would shield those portals, doorways, tunnels or gateways *forever* with the power of the Cross and the Blood of the Sovereign Yahushua the Messiah!

Please Abba, use that same Sword of the Spirit to separate my human spirit from ANY and ALL contact with any other spirit, human, fallen angelic, fallen celestial, or otherwise, that may have had unrighteous sexual contact with me or through me, specifically sodomy and other sexual perversions. In Yahushua's Name, I ask you to cleanse me of all unrighteous soul ties by the Blood of Yahushua and any possible access through which ha satan can trouble me or my family.

By the authority of the Name of the Sovereign Yahushua Messiah I break the power of ANY and ALL vows, inner vows, covenants, contracts, dedications, bonds, bands, bindings, curses, declarations, signatures or commissions made over me or my children [*if any*], known or unknown.

Primarily for victims of satanic or ritualized abuse of any kind – or “alien abduction: I also ask the Ruach ha Kodesh of YAHUWAH to dismantle all triggers, post-hypnotic suggestions, inserts, implants or mind control and to destroy their power over me (*or my children*) forever!

Abba, in the name of the Sovereign Yahushua the Messiah, I now command any evil spirits that may have come into me through these sins of sodomy or sexual perversion to leave me [*and my children, if any*] at once! I especially come against the Spirit of Legion, the Spirit of Whoredoms, the Perverse Spirit, the Spirit of Bondage and the Spirit of Fear. I also come against the strong men of Lilith and Gamaliel. I bind you all together as one and I weaken you with the Blood of Calvary. I command all of you to GO where Yahushua the Messiah tells you to go by the Voice of His Ruach ha Kodesh and I say, YAHUWAH REBUKE THEE.

In Yahushua's Name and with His Authority, I declare to ha satan that he is an utterly defeated foe in my life and in the lives of my family and by the power of the Name of my Sovereign Yahushua the Messiah, I shut any doorways of demonic access into my life, and command him to leave me and my children at once. I ask you, Abba Father, to seal those doorways shut forever by the Blood of the Lamb of YaHuWaH, shed on the cross of Calvary.

I belong to Yahushua the Messiah! Body, soul and spirit. By His authority I expose all enemies of Yahushua the Messiah operating against me or my family and I sever you from *ha satan*, and any powers above you. I remove your right to afflict me or my family and proclaim your judgment. I weaken you by the blood of Calvary! In the authority of the Name of Yahushua the Messiah, I bind you all present together and I command you to go where Yahushua the Messiah tells you to go, right now, by the voice of His Ruach NEVER to return. YAHUWAH REBUKE THEE!
In Yahushua's precious name, Omayn.
