

Cleansing the Sin of the Shedding of Innocent Blood over the Land

Deuteronomy 19:10: That innocent blood be not shed in thy land, which the LORD thy God giveth thee for an inheritance, and so blood be upon thee.

[The owner or renter of the property should stand on the property (ideally assisted by a pastor or minister of the gospel or prayer warrior) and prayerfully declare this:]

Abba YHWH, in the name of Yah'shua (Jesus) the Messiah, we come to you now in accord with Deut. 21:1-9. We ask that You formally apply the Blood of the Lamb over every inch of this property, down as far as You need it to go, to remit the sin of shedding of any innocent blood over this land down through the ages of time!

We know that Your Word says in Hebrews 7-9 that the blood of Yah'shua (Jesus) is SO MUCH better than the blood of bulls and goats! Standing on this precious truth, we declare that the application of the Blood of Yah'shua is applied to this land and that it remits ALL sins, especially the sin of the shedding of innocent blood.

Having done this, according to Your Word, we now command any and all evil spirits on this property that may have had a right to be here in the past to leave at once. You no longer have any right to be here, because this land belongs to Yah'shua the Messiah! We command all evil spirits to leave this home and this land at once and to go where the Lord Yah'shua tells you to go by the voice of His Holy Spirit.

Abba Father, in Yah'shua's name, we now ask that you would put a legion of angels around this property to protect it with swords drawn. We ask, Abba Father, that those swords be aflame with the light of power and holiness. We declare in Yah'shua's name that no unclean thing can come onto this property or this home any longer because it is under the protection of Elohim Gibor, the Mighty YHWH God of Abraham, Isaac and Jacob! We agree together for this in Yah'shua's name. Amen!
