UNTO THE LORD;  
FOR HE IS GOOD. **PSALM 136:1**

Dear Beloved WOACM Family,

Thanksgiving 2023

As our brothers and sisters in Christ Yeshua you are very dear to us. This pilgrimage we've been on together for the last 35+ years has moved us closer to a place of quiet solidarity in our LORD and Saviour YESHUA MESSIAH! His Love has challenged, delivered and saved us! It's True! He's Saved us from *ourselves*, from the *world*, AND from the *enemy*. PRAISE YESHUA FOREVER!

We're all looking forward to the holidays. But *please* remember, as the warmth of the season begins filling our homes we **MUST REMAIN VIGILANT** and continue to **PRAY FERVENTLY** – Some of the **WORST** satanic rituals happen in the orb of days around New Year!

**YET OUR SAVIOUR LIVES – HIS VICTORY IS OURS!** Together, let's Worship, Honor and Praise the One Who's Blessed us with His Greatest Gift - Union with HIM as His Bride – That **TRUTH** amazes even cherubim and Seraphim! HE **ABIDES** in us! That's **MIRACULOUS!**

Remember this Beloved Christian Hymn?

Lord prepare me † To be a sanctuary † Pure and Holy † Tried and True...  
And with Thanksgiving † I'll be a Living † Sanctuary † For YOU...

That Indwelling alone fills our hearts with a **LIFETIME** of love for the **One who was Begotten - NOT made**; the **LORD OMNISCIENT** Who dwells in Heaven, Everlasting to Everlasting and is coming **SOON!** He **ALSO continues to abide here** - in the earth!  
**His PRESENCE RESIDES in EVERY part of us that we will RELINQUISH to Him!**  
**AND SO...WE MUST FORGIVE THOSE WHO HAVE SINNED AGAINST US...**

**ALL for HIS GLORY!**

**AS WE PRAY FOR THE CAPTIVES - FOR ISRAEL & the ENEMIES OF CHRIST EVERY DAY & NIGHT...THANK YOU FOR STANDING WITH US IN THOSE PRAYERS.**

**WE ARE SO THANKFUL HE HAS SAVED & UNITED US IN CHRIST!**

***And we are SO thankful for YOU!***

**THANK YOU for PRAYING with us, for us, and interceding for all those who seek the LORD's Mercy, Deliverance, Love and Healing through WOACM's Outreach Ministries!**

**THANK YOU FOR YOUR SUPPORT!**

**YOU ARE OUR WOACM FAMILY! WE LOVE YOU in YESHUA CHRIST the LORD!**

*Dr. Bill & Mary Schnoebelen*

**DEAR WOACM FAMILY - THANK YOU FOR MAKING THESE  
PRAISE REPORTS POSSIBLE (there are many MORE) BY YOUR  
LOVE, PRAYERS & FAITHFUL GIVING TO THE WORK OF  
YESHUA MESSIAH! HalleluYAH! THANK YOU!**

This so wonderful to know! **[DO NOT CURSE YOUR ENEMIES]**. I've heard preachers tell us to DO exactly what you were telling us NOT to do (cursing your enemies video)! **I had to learn the hard way!** I thank my FATHER that HE told me do not do this, and I sure do see the difference...I didn't curse any humans, but where I was in ERROR was cursing DARK SPIRITUAL ENTITIES - I am thankful our FATHER CORRECTED ME, I FELT I SHOULD GIVE YOU THIS INFORMATION! Thank you again, blessings, & much love to you both. DM

I ran across Dr. Bill's videos about a year ago. I subscribed to his YT channel and watch every single one. He has helped me tremendously with strengthening my relationship between me and our Father. Also, I was raised a Jehovah's Witness and had been "disfellowshipped" at a young age. I don't speak to my Dad much because of it. I'm 36 now, and I am starting to open my eyes to the spiritual warfare we are facing. I have been very lost for a long time. Your husband has changed my life. Thank you for all you do! R.S.

Hi Dr. Bill and Mary, thank you for all the great resources you've put out. I have used many of them and enjoy your teachings. I rented a small house to my cousin. Unbeknown to me she began to practice white witchcraft in this house. Do you have any resources in cleansing this place out? She has moved out. I found this out toward the end of her stay. I don't know much about this subject. Is there a reason to be concerned? Are there helpful prayers or cleansings I can do? Thank you in advance. **AFTER WE SENT HER PRAYERS:** My husband and I prayed these prayers over this home. So grateful for the help. In times past I have used other prayers you have listed. In particular, prayers for the firstborn and then for the home electronics. I saw some serious issues come about with the electronics business! Is it just me, or is the craft ramping up to higher levels? Man it's nuts out there! Thank you again. Blessings M.F. **[In response to SOUND of FREEDOM: Child Sex Trafficking - Cover Ups - NWO & Hollywood]**

Good Evening Dr. Schnoebelen and Sister Mary, I hope you are both well, I just finished watching your **video on Mormonism**, thank you for your videos and teachings, they are amazing. I don't know if you remember but I have two young adult children. You have prayed for M before, she was bullied in her first college but now is at an awesome Christian College, she is graduating this May and is matured and grown in her walk. My concern is she has gone on a date with a boy that goes to her college - **he is a Mormon**. I sent her your video and told her not to get involved!

Thank you for responding to my email and want you to know that my daughter and the difficulty has been HEALED. Now I would like you to pray for my granddaughter who is 16. I have read and prayed the prayers you sent to me, Thankyou for your concern as where I live there is no moving of the spirit in any church in this county. J.G.

**DEAR FRIENDS,** One of the destinations of the "Jesus Movement" of the seventies was Findhorn Foundation in Northern Scotland. They sent pamphlets with the image of the wrong Jesus on the cover. One of those reached me at Stanford's UK campus at Cliveden. Yeshua had found me at Stanford's Palo Alto campus in December 1973. Many Jesus seekers including the lead singer of "Jesus Christ - Superstar" fell under satan's sleep inducing chloroform! David Spangler and his father, a Stanford prof, mingled their syncretic demonic doctrines; foremost was: "Jesus wasn't the only one in fact, He learned it all from the Avatars and Gurus of India and Tibet." That was the hook that led me to "marry" a dark practitioner - a witch. Paul wrote about me in

**2Tim 3:6:** I was the gullible woman full of lusts and rebellion! The good news is that some of us lost ones are waking up and REPENTING. Yeshua is so loving AND merciful that when I finally fell on the stone - whoosh!! There He was cleansing me, loving me and saving me!! HALLELUYAH!!' A.T. *Shalom Dr. William and Mary Schnoebelen, I made a prayer request about my nosebleed problem a few months ago, and now it's been three or four months since my nose bled. So, I thank the Lord, and I thank you too. BR*

Thank you for your steadfastness, and encouragement to the Body. Your testimony (**Lucifer Dethroned**) is truly THE prime example of "he who is forgiven much, loves much" - thank you for sharing this love with us! You are truly an Overcomer! RB

I found and watched so many of your (lengthy) videos/interviews/seminars on YouTube many years ago and it helped me re-align and maintain my focus on the Word of God (when I was becoming insatiably curious w/ the infinite directions/ teachings/ religious practices of the enemy... not pulled away, but seduced in a sense). So it was your ministry (and testimony) has saved me many years, if not decades of my whole life in sorting out many of these worldly lies, and I've spent much of this saved time (since) focused on studying the Bible every day and sharing it with others. My wife and I always await your next videos on YouTube and pray for you and Mary consistently. Side note - I really like that painting you have in the background - it always gives us a chuckle when you're halfway through the video and remark that you didn't expect it to go so long. It's wonderful content! AM

Thank you Dear Dr. Schnoebelen for making those great videos on YouTube. You helped me to get some things clear I had a hard time with along the last years, looking into things hidden from our eyesight. God let me to be shaken the world out of my soul and now I long to get new structure of reasoning placed in it again. Be blessed with everything needed and give you a big hug! A. from Germany

I thank you and Mary or all of the wonderful prayers and info found on your site. I am experiencing wonderful freedom in several areas I was struggling in. I have needed not just physical infestations removed but spiritual as well. They are GONE. I thank Abba Yahuwah, the Lord Yeshua, and the Ruach haQodesh (I hope I have used the names of Elohim correctly!) for you, Mary and WOACM. Shalom, J.

Just finished going through **BLOOD ON THE DOORPOSTS** with our family and the freedom in Christ we experienced as we went through the book and the prayers on your website is nothing short of a miracle. God is so good! Thank you for this wonderful book and free materials! I'm going to try and get our pastor to study it.- M.B.

What an amazing testimony. Over halfway done with the book on your testimony [**Lucifer Dethroned**]. The spiritual wickedness is real. God help us to pray more. Thankful for the blood of Jesus! - A.V.

Thanks again for raising this issue. People need to recognize it when it happens to them or loved ones. Is this the clay (man) trying to fuse with the iron in Daniel's Prophecy. I just want to say thank you to both of you! I love your ministry and am **making a commitment right now to pray for your ministry and both of you daily!** love the info you share including all the healthy recipes. Thank you so much and God bless you! – L.F.
