Please, Yahushua, **teach me how to pray more from my deepest spirit**. Show me how to stoke the fires of worship, praise and zeal deep within my heart and soul.

Father, help me to abundantly throw the incense of my prayers and supplications on the fiery coals of my heart.

RUACH, blessed RUACH, please re-ignite the searing fire of adoration within me and within ALL Your children. Break up the husks of dead resentments, bondages and works so that **I might be ABSOLUTELY FREE to serve YOU, the true and living Elohim!**

## **Part II**

### **Prayer against Radionic and Psychotronic Attack:**

Abba, in the name of Yahushua the Messiah, we ask You to flood our souls with YOUR Light, YOUR Love and YOUR radiant power of healing!

Please, protect me and my family across all space-time continua, all computer networks and cellular networks, all set-apart times and seasons and all frequency domains in this universe and in the second heaven as well.

In Yahushua's mighty name, and by the power of His resurrection we BIND the second heaven and we LOOSE the Third Heaven into our lives, HalleluYAH!

By the power of the name of Yahushua and the awesome covering of His shed **Blood** we declare:

- The enemy's cyber warfare technology shall not function on any of us.
- The enemy's electronic, digital or subsonic technology shall not function on any of us.
- The enemy's radionics technology shall not function on any of us.
- The enemy's psychotronic technology shall not function on any of us.
- The enemy's psionic technology shall not function on any of us.
- The enemy's neuro-electrical dysfunction broadcasting technology shall not function on any of us.
- The enemy's electronic or radionics black magic technology shall not function on any of us.
- The enemy's 5G signals shall not function on any of us.

We declare in Yahushua's name that NONE of these dark technologies shall function on any of us or anyone who might be around us to influence, inhibit us or harm us in any way!

Father, in Yahushua's name, we ask YOU to put all around all of us through the **Blood** of **Yahushua** and the **LARGE SHIELD of Favor**: an impenetrable, impregnable, multi-layer, multi-frequency domain, multi-dimensional shield and a **SHIELD of YOUR set-apart times and seasons around us**; our bodies, souls and spirits—through all our sleep and dreams in Yahushua's name we pray. Omain.

We also pray, Abba, that You would destroy the works of the evil one in the realm of electronic warfare and digital communications.

We declare that Yahushua, by His ascending into heaven affirmed His sovereignty over ALL the evil principalities of darkness and the prince of the power of the air, destroying their power and spoiling them.

We CLAIM that victory for us, our family, our congregation right NOW in the mighty name of Yahushua the Messiah. Omain!
